Sharing Caring Margaret B. White, 1982 **Sharing Caring** Margaret B. White,1982 **Becoming White** Margaret Blackburn White, 2009-03-19 BECOMING WHITE My Family's Experience as Slave Holders and Why It Still Matters follows the travels of three of my ancestral families as they came from the Old World to the new American colonies In this lively history you will follow these families from Scotland England and Northern Ireland to their new homes in the colonies and most important see where and when they first came into contact with enslaved Africans and how they became slave holders themselves Although the book presents my own families histories it is really a parable for everyone s family history Whether we came here long ago or last year whether we are of European African Hispanic Asian or Native American heritage we have all been affected by the experience of being enslaved or of holding slaves The thesis of the book is that the experience of holding other people as slaves was the origin of racism in the United States and that that particular kind of racism has affected all of us and even affects people who have never lived here American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 Children Today, 1983 Working Wives and Mothers Marian Dworaczek, 1984 The Publishers Weekly ,2001 Early Childhood Education Today George S.
