The Sex Offender Register
Terry Thomas, Daniel J. Marshall, 2021-04-12 The Sex Offender Register examines the origins history structure and legalities of the UK sex offender register and explores how political and public opinion has influenced the direction the policy of registration has taken Delving into the origins of the UK sex offender register and how the registration policy has evolved this book provides an understanding of the register and its contribution to public protection while attempting to see the register as a policy that has grown and developed and as having an organic life of its own The sex offender register is designed as a form of public protection rather than a punishment requiring offenders to notify the police of their circumstances and to accept a degree of offender management from the police The book puts the development of the register in its political social and ethical context considers the position of children and young people as offenders outlines the movement of registered offenders across international borders analyses how offenders can be removed from the register explores how other countries in the UK manage sex offenders through registers asks questions about the efficacy of the register and what contribution it makes to public protection looks at specific aspects of registration including the management of information delves into the experience of life on the register examines the influence of public opinion discusses the role of the police as custodians of the register and as offender managers Exploring the different pressures brought to bear on the register this book provides an authoritative starting point for police officers social workers probation officers magistrates students of Criminology Criminal Justice and Policing and the general reader wanting to understand where the UK sex offender register originated from and how it operates today [Help is just a click away: Social Network Sites and Support for Parents of Children with Special Needs](#) I-Jung Grace Lu, 2019-07-15 Feeling alone searching for help

searching for a sense of belonging and identity parents of children with special needs face various difficulties in their daily lives But help and support can be extremely hard to obtain for these parents since they are limited by resources location and time However things started to change when the World Wide Web began to connect people together We now live in an era when networks of power can be achieved and maintained through virtual connections on the internet where instant communication can be a form of power This book hopes to shed light on how the simple act of clicking can empower and contrariwise in some cases disempower parents to locate help and support This book also discusses the shifting role of these parents from those seeking help to those who provide help for other parents through the virtual networks they have built on various social networking sites When examining these issues this book takes into consideration the Asian concept of Face in which identity is an image agreed by society This book will offer insights for parents researchers and social workers as well as for anyone else who hopes to understand what is taking place on the net and how to be involved in the networking process of providing support for people around you It allows the readers to see how support nowadays can really be just a click away

Critical Sexuality Studies, Lavender Languages, and Everyday Life Michelle Marzullo, William L. Leap, 2024-09-05 Critical Sexuality Studies CSS and Lavender Languages Linguistics LLL are leading modes of inquiry in two different fields of sexuality studies In this edited collection chapters reveal how these can be combined to produce a new approach to analyzing language use sexuality and gender and discourse on authority and power The book demonstrates how together LLL and CSS iterate each other through their mutual concern with sexuality gender and power especially when considering the materiality of daily life Authors then compare CSS to other fields of sexuality studies to reveal commonalities and tensions that are addressed via the LLL based interventions exemplified in this volume The body of the book organizes examples of Lavender Languages projects around a four part CSS framework with an introductory essay for each section indicating the connections between the CSS theme and the LLL examples The volume concludes with reflections showing how CSS interests in sexuality and power benefits from LLL with its emphasis on socially focused studies of discourse and text Strengthening pathways to future knowledge making this book provides a detailed roadmap for scholarly and activist engagements in language centered critical sexuality studies
