Sweet Song of Sharon Charles Alan Long, 2020-10-21 SWEET SONG OF SHARON WAS OF HER GLORY BUT MUCH MORE Sharon and Charles were born educated and in love in fundamentalist Kansas both attending a conservative protestant church Tragedy and poverty forced her marriage to another It eventually failed The supernatural event seemed to bring the long separated pair back to an impossible love Odds against were their ages and health finding each other after 65 years of separate adult lives and so many years of unrequited love Reunited the love ecstasy was so incredible for two people bonded hopelessly for many years that too was a miracle It defied age poor health her family a suicidal dying woman a thousand miles distance between our homes There is much more arising from this miracle The poet and Sharon considered it love from heaven After sharing bliss and happiness the poet wrote a poem of Sharon s momentous magnificent song of love After becoming a naturalist with math background and great giants teaching sciences some observed miracles could not be explained Since college he was also a transcendentalist and the suddenly revealed supernatural events from Quantum Physics made God and Jesus make sense But many fundamentalists believe every word in the Bible Genesis was written by Moses with two odd myths on creation A preacher who said that this 12 billion years old universe was only 6000 years Some accept Egyptian science long before science was invented Joyously I found an obscure scripture the truth about Moses from a dying martyr full of the holy spirit face shining like an angel Moses was set out outside to die and then raised by the Pharaoh s princess All his learnings were Egyptian wisdom for a full 40 years He was 80 before God began to give him His holy word Now that Science is amenable on the supernatural God may be tired with an evil war against science based on Egyptian myths Perhaps thanks to God we can trust one another Revelation is logical And Sharon s song of love is holiness and love but was not only for the poet But love has its glory [The Broadway Song Companion](#) David P. embraced and even postulated by prominent christian leaders men and women who you d have no reason to doubt their knowledge of the scriptures The sad truth however is that it only takes one person to start a hoax and then many others ignorantly subscribe to such heinous heresies Perhaps more worrying is the suspicion that some of these wrong scriptural interpretations were orchestrated from the kingdom of darkness And it wouldn t be a surprise as Apostle Paul already warned us through his first letter to his protegee Timothy that such will be prevalent in the last days a period we re currently in As it is written Now the Spirit speaketh expressly that in the latter times some shall depart from the faith giving heed to seducing spirits and doctrines of devils Speaking lies in hypocrisy having their conscience seared with a hot iron 1 Timothy 4 1 2 The Rose of Sharon is a book that seeks to correct certain erroneous statements and wrong subtle doctrines that have been perpetuated by some And whilst at face value we might consider human error as mostly the cause of these howlers it is however not unlikely that something or someone sinister was actually behind these misrepresentations *Peer Mentoring in Music Education* Andrew Goodrich,2022-12-30 *Peer Mentoring in Music Education* Developing Effective Student Leadership offers a practical guide to peer mentoring in music education enabling music teachers to implement and benefit from this technique with their students Drawing on extensive and current research in education and music education the core focus of this book is on the instructional practice of peer mentoring and how students can become effective leaders Through case studies and examples focused on music education the author shows how peer mentoring can transform learning for all students and foster student leadership as part of a student centered instructional approach Part I explores the foundations of these instructional practices the role of the music teacher the role of the student and how socializing and student leadership contribute to meaningful learning Part II portrays stories of four exemplary music teachers who use peer mentoring and student leadership in their music programs across a wide array of age levels and music classes and ensembles Music teachers will benefit from learning about the transformative power of peer mentoring and student leadership and how these instructional practices aid with diversity equity inclusion and access so that all students are valued in the music class and ensemble *Peer Mentoring in Music Education* Developing Effective Student Leadership provides a comprehensive guide for in service and preservice music teachers seeking to understand peer mentoring and incorporate this technique in teaching
