Shattering the myth of race : genetic realities and biblical truths Dave Unander,2000 **The Sam Sharpe Lectures**

E.P. Louis,Rosemarie Davidson,2023-11-30 Celebrating ten years of the annual Sam Sharpe Lectures this text is a collection of a decade s contribution from scholars thinkers activists and ministers responding to the legacy of Sam Sharpe a Jamaican National Hero This text documents these moving insightful and mobilising contributions and seeks to capture how Sharpe s legacy inspires action for justice in the 21st century Rooted in a radical Jamaican narrative The Sam Sharpe Lectures collectively demonstrate how Sharpe s legacy can inspire all people to be game changers despite life s challenges Sam Sharpe was enslaved yet through a grounding in Christian faith compassion justice and self determination became an agent for transformation and these lectures translate his legacy into tools for today s injustices *The Humanisation of Slavery in the Old Testament* Thomas Schirrmacher,2018-05-10 The Humanisation of Slavery in Old Testament Law by David L Baker Slavery Human Dignity and Human Rights by John Warwick Montgomery Slavery in the Old Testament in the New Testament and Today by Thomas Schirrmacher Three scholars discuss slavery in the Old Testament and a Christian view of slavery They argue that slavery in the OT had not much in common with Roman Greek Muslim or modern European slavery as the slaves where protected by the legal system They believe that there is a road from the humanisation of slavery in the OT through the soft opposition against slavery in the New Testament to the abolition of slavery by Christians and in Christian nations The last essay contains a longer section on The Role of Evangelicals in the Abolition of Slavery that summarizes the research of the last decades showing that the uncorrupted oppositions by pious people and the power of the masses without direct political influence changed history the first major human rights campaign of history **www.congregationalresources.org** Richard Bass,2004-12-30 An ever increasing number of resources compete for the attention of congregational leaders With a seemingly endless number of choices finding the best resource on a particular topic for a specific congregation is an often daunting challenge www.congregationalresources.org is an invaluable companion to the groundbreaking online version of Alban Institute s and Indianapolis Center for Congregation s jointly researched and produced Congregational Resource Guide launched in 2001 and accessed by thousands of seekers each week The book conveniently and cogently puts the rich array of important resources into context by examining in depth the key books organizations Web sites and people that will help leaders gain an understanding of important issues facing their congregations The book features ten overviews of important topics by widely recognized experts in their fields including Amy Sherman on Community Ministry Tom Fischer on Congregational Health Lee Ramsey on Preaching Paul Chaffee on Leadership John Janka on Evaluation and Jean Trumbauer on Lay Ministry Each essay is accompanied by an annotated list of selected resources for researching further information Helpful guides for using these valuable resources to promote and encourage congregational understanding and transformation are also included *No Longer Slaves* Brad Ronnell Braxton,2015-03-15 No Longer Slaves brings the

ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In *No Longer Slaves* Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues *No Longer Slaves* explores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul's letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging Chapters in *Liberation and African American Experience* are Introduction Liberation Rationales and Definitions Blackness Biology and Ideology and African American Biblical Interpretation Chapters in *A Reading Strategy for Liberation* are Reader Response Criticism and Black and Womanist Theologies The Bible and Authority in Reader Response Criticism and The African American Christian Interpretive Community Chapters in *Galatians and African American Experience* are Introduction Historical Overview Interpretations and Conclusion Includes a bibliography Brad Ronnell Braxton PhD is the Jessie Ball DuPont Assistant Professor of Homiletics and Biblical Studies at Wake Forest University Divinity School in Winston Salem North Carolina He is an ordained Baptist minister and for five years served as Senior Pastor of Douglas Memorial Community Church in Baltimore Maryland

One Blood John Perkins, 2018-04-03 Dr Perkins final manifesto on race faith and reconciliation We are living in historic times Not since the civil rights movement of the 60s has our country been this vigorously engaged in the reconciliation conversation There is a great opportunity right now for culture to change but it cannot be done without the church The church is the heart and moral compass of a nation To turn a country away from God you must sideline the church To turn a nation to God the church must turn first Racism won't end in America until the church is reconciled first Then and only then can it spiritually and morally lead the way In this his crowning work Dr Perkins speaks honestly to the church about reconciliation discipleship and justice and what it really takes to live out biblical

Daniel Hawk, 2010-04-02 This unique commentary generates a conversation between the

biblical narrative of conquest related biblical themes and the American master narrative of Manifest Destiny Writing in an accessible style and format Hawk offers an exegesis of the biblical text with special emphasis on the ways the narrative of conquest shaped ancient Israel s identity as a people A second level of commentary lifts key themes from the text e g the land as divine gift and promise mass killing Israel s distinctive attributes the construction of the Indigenous Other and sets them within their broader biblical context A third dimension reflects on corresponding elements in America s narrative of westward expansion e g the conviction of America s unique character and destiny total war and ethnic cleansing the

dehumanization of Native peoples patriotism and homeland the idea of the American Dream As a whole this book offers Joshua as a biblical resource for reading the American experience challenging readers to reflect on how conquest shaped America's identity and how it continues to influence American attitudes and actions Racism Thomas Schirrmacher, 2014-01-28 Are white people more intelligent than black people Are Jews devious and grabby Intolerance and violence through racism includes slavery national socialism in Germany apartheid in South Africa or the genocides in Rwanda and Bosnia But racism is not only wrong theologically it is not only against the dignity of humans that guarantees their human rights but newer genetic research also proves that the whole classification into races is without foundation Biologically speaking all humans belong to one race E.g. when you need a blood transfusion you should not look for a blood donor from your race but someone with the same blood group transcending all races *Transforming the Church in Africa:* Vernon E. Light, 2012-11-26 This book is a must read for serious Christians hoping to obey the Great Commission to make disciples in Africa Vernon strikes an admirable balance between academic depth and practical application helping us to appreciate the interface between the gospel of Jesus Christ and the traditional African worldview I heartily recommend this book to all thinking Christian leaders in Africa pastors teachers and missionaries Kevin G. Smith D.Litt. PhD Vernon Light wrote this book with an apostolic passion in the way the apostles presented and proclaimed the Gospel to world religions and cultures It is an exciting study of African traditional religion and its relation to Christianity It shows that for Christianity to thrive and be relevant biblically and transformationally in Africa firstly Christian scholars and theologians are needed who understand and address Africa's traditional heritage and Western modern postmodern and pluralistic ideologies and secondly the Gospel must be contextually relevantly meaningfully and practically taught through an effective discipleship program The book based on extensive research and massive use of resources is a valuable tool for students pastors scholars and theologians interested in the state of Christianity and religious change in Africa Professor Yusufu Turaki PhD Much more than being a useful resource this is a book with a mission Like Jeremiah of old Jer 20:9 Vernon is a man with a passion and message from God to the society to which God has called him Like Jeremiah Vernon is totally convinced of the absolute truth of his message in the midst of a myriad of conflicting opinions and that his message will change society from disaster to hope Would that it is heard Professor David T. Williams D.Th. The Rev. Vernon E. Light B.Sc. BDHons M.Th. is a member of the academic staff at the South African Theological Seminary *Set the Standard* Chris York, 2022-10-04 According to Chris York creating a work culture that demands excellence is simple in concept yet challenging in practice Why do some organizations fail to realize their true potential The only acceptable outcome of their actions and efforts should be excellence Dive into Chris York's approach with *Set the Standard* a resource for business leaders and professionals hoping to learn how to execute excellence on a daily basis and build something most doubt possible The strategies within *Set the Standard* are those that transformed two local hospitals into nationally recognized organizations and can transform any company of into an
