She Came In Drag:

How She Came Into Her Kingdom Charles M. Clay, Charlotte Moon Clark, 1878 **Drag Queens at the 801 Cabaret** Leila J. Rupp, Verta Taylor, 2015-10-02 It's Saturday night in Key West and the Girlie Show is about to begin at the 801 Cabaret. The girls have been outside on the sidewalk all evening seducing passersby into coming in for the show. The club itself is packed tonight and smoke has filled the room. When the lights finally go down statuesque blonds and stunning brunettes sporting black leather miniskirts stiletto heels and see through lingerie take the stage. En Vogue's 'Free Your Mind' blares on the house stereo. The crowd roars in approval. In this lively book Leila J. Rupp and Verta Taylor take us on an entertaining tour through one of America's most overlooked subcultures: the world of the drag queen. They offer a penetrating glimpse into the lives of the 801 Girls, the troupe of queens who perform nightly at the 801 Cabaret for tourists and locals. Weaving together their fascinating life stories, their lavish costumes and eclectic music, their flamboyance and bitchiness and their bawdy exchanges with one another and their audiences, the authors explore how drag queens smash the boundaries between gay and straight man and woman to make people think more deeply and realistically about sex and gender in America today. They also consider how the queens create a space that encourages camaraderie and acceptance among everyday people no matter what their sexual preferences might be. Based on countless interviews with more than a dozen drag queens, more than three years of attendance at their outrageous performances, and even the authors' participation in the shows themselves, *Drag Queens at the 801 Cabaret* is a witty and poignant portrait of gay life and culture. When they said life is a cabaret, they clearly meant the 801.

Life's a Drag Janie Millman, 2020-10-19 There's more to life than being fabulous, but it's a start. Roz and Jamie have moved to leafy Suffolk from London in search of a quiet life, so it's a shock to find the village embarking on its riotous annual drag competition. Fuelled by large quantities of alcohol and boisterous community spirit, they are soon caught up in a battle for the identity of the village itself against those who'd prefer to stay stuck in the past. Meanwhile in San Francisco, Drew is facing his own challenge to save his drag club and the livelihoods of his closest friends. When he finds out about a small English village putting on a drag competition, inspiration strikes and worlds collide. Appearances are not everything, and sometimes human connections can surprise us, but will these realisations be too late to save the village and Drew's club? A gorgeously fun, heartwarming and tender story of unexpected friendships and acceptance. This is like an edgy Jilly Cooper: lots of eccentric characters and a lot of fun. Katie Fforde. Truly terrific. I love this book. Judy Astley. High jinks and high heels. Imagine The Archers in drag with a huge heart and lots of laughs. Veronica Henry.
