Derek Walcott Elizabeth Bishop and J M Coetzee within their social historical and political contexts Fallon shows how contemporary revisions of the novel reveal the tensions inherent in the transnational project as people and ideas move across borders with frequency if not necessarily with ease In the novel Robinson Crusoe Crusoe s discovery of Friday s footprint fills him with such anxiety that he feels the print like an animal and burrows into his shelter Likewise modern readers and writers continue to experience a deep anxiety when confronting the narrative issues at the center of Crusoe s story
