She Loved Me Once And Other Stories:

She Loved Me Once, and Other Stories Lester Goran, 1997 With evocative settings and narratives ranging from the supernatural to the humorous from bawdy hilarity to detailed realism These stories create a world of poignant and magical times and places within the mundane affairs of ordinary men and women *Outlaws of the Purple Cow and Other Stories* Lester Goran, 1999 In this his third collection of stories Lester Goran moves us again through the times and places indelibly stamped with his wit and insight about people and events lost to history *Outlaws of the Purple Cow* centers around the domains of Irish American men and women in Pittsburgh Goran creates once more his world of poignant and magical times and places within the mundane affairs of ordinary men and women Goran's evocative settings and narratives range from the supernatural to the humorous from bawdy to richly detailed realism Goran with his mastery of language and images chronicles in stories the unheralded laughter and sorrows of Americans seldom noted in fiction Goran creates once more his world of poignant and magical times and places within the mundane affairs of ordinary men and women Goran's evocative settings and narratives range from the supernatural to the humorous from bawdy to richly detailed realism the bewildering ceremony enacted on a suburban lawn on Good Friday an inventory of the loves of a lifetime compiled on scraps of paper and matchbook covers the young man home on leave from the army who encounters a woman whose entire life is reflected in the wires holding together her threadbare Christmas tree and the young man on the first day of his first job who delivers roses to a house where the homeowner had died since ordering the flowers Goran with his mastery of language and images chronicles in stories the unheralded laughter and sorrows of Americans seldom noted in fiction The Wolf's Long Howl; And other stories Stanley Waterloo, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Missing Kidney and other stories** Maxine Rosaler, 2025-05-13 Set in the grungy New York City of the 1970s and 80s these stories convey a sense of the enchantment that lurks on the flip side of every moment as if the meaning of life were hidden within the static being blasted out of the loudspeakers on a subway platform or a scrap of newspaper preserved under ice on a cold winter's day A girl tries to save the boy she loves from his crippling love for his uncle A champion of social justice talks herself into believing that the man she finds sexually repulsive is a perfect fit for her perfectly ordered life A man kneels on the sidewalk before a memorial he constructed for his girlfriend as a crowd of curious onlookers gather around him Rosaler deals out the fates of a vivid array of complex characters with unflagging energy wit and a delight in the details of city life *The Devil's Church and Other Stories* Joaquim Maria Machado de Assis, 2010-07-22 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis 1839-1908 acclaimed almost unanimously as Brazil's greatest writer Collectively these nineteen stories are representative of Machado's unique style and world view and this translation doubles the number of his stories previously

available in English The stories in this volume reflect Machado's post 1880 emphasis on social satire and experimentation in psychological realism If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction Machado's legacy would have been an entertaining but inconsequential body of work However by 1880 he had begun a devastating satirical assault on society through his fiction In spite of his ruthlessness Machado does at times reveal an ironic sympathy for his characters He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts acted out against the backdrop of an indifferent universe Such a spectacle creates a sense of helplessness that can only inspire wistful amusement In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance
