She Says Bilingual Edition:

México20 Various, 2015-10-13 Hay Festival the British Council and Conaculta have joined forces to bring twenty young writers under the age of forty to an international readership These exciting new voices come together in an anthology of short pieces giving a glimpse of Mexico's outstanding literary culture Following in the footsteps of the likes of Octavio Paz and Carlos Fuentes the writers capture an era of shifting boundaries and growing violence where the country's rapid modernization is often felt to be at the cost of its artistic heritage Broken families a man in a birdcage a lone swimmer all stories betray a quest for the self when the feeling of loss pervades Pushkin Press is proud to present these vibrant and moving narratives Contributors DBC Pierre Cristina Riverza Garza Juan Pablo Anaya Gerardo Arana Nicol's Cabral Verónica Gerber Pergentino Jos Laia Jufresa Luis Felipe Lomel Brenda Lozano Valeria Luiselli Fernanda Melchor Emiliano Monge Eduardo Montagner Anguiano Antonio Ortuño Eduardo Rabasa Antonio Ramos Revillas Eduardo Ruiz Sosa Daniel Saldaña Ximena Sánchez Echenique Carlos Velázquez Nadia Villafuerte ruth weiss Estíbaliz Encarnación-Pinedo, Thomas Antonic, 2021-10-04 ruth weiss born in Berlin in 1928 to Austrian Jewish parents arrived in San Francisco in 1952 after hitchhiking through the United States Crowned years later as the Goddess of the Beat Generation by San Francisco Chronicle critic Herb Caen weiss has worked for almost seven decades with a plurality of artistic forms Despite her extensive poetry career and very active participation in the West Coast buzzing artistic community since the early 1950s weiss has remained an essentially overlooked figure in poetry history This neglect might be representative of the overshadowing of female artists within the Beat Generation as a marginalized group within an always already marginalized bohemia Johnson The volume taps directly into this lacuna by proving the first close study on one of the most prolific members of the so called Beat Generation Offering diverse and comprehensive points of entrance into weiss's oeuvre the essays in this volume adopt a multidisciplinary approach that attests to the cross pollination between art forms in postwar counterculture In addition the volume also includes shorter non academic contributions and previously unpublished archival material Bringing together scholars academics and artists from around the world this volume represents a timely and much needed response to the increasing interest in weiss's work in the last decades *From the Edge* Allison E. Fagan, 2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy *From the Edge* reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the

authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books From the Edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins

John Michael Curlovich, 2019-11-01 The University of Pittsburgh campus is anything but quiet the summer Jamie a hunky
college sophomore feeling brokenhearted after being dumped by his first boyfriend decides to audit a summer class on
Egyptology taught by the magnetic Dr Danilo Several of the university's star athletes are then found murdered their bodies
completely desiccated but Jamie has other things on his mind as Danilo's attention turns decidedly unprofessorial Soon he is
swept up in a passionate affair with his teacher When Danilo invites Jamie to travel with him first to Paris and then to Egypt
the young man leaps at the chance but in Paris events turn sinister At the Louvre an exhibit of Egyptian artifacts includes a
relief of a pharaoh kissing his son and successor who bears more than a slight resemblance to Danilo Taken alone this means
little but a murder identical to those in Pittsburgh occurs and Jamie begins to have uneasy suspicions In Egypt Jamie
questions Danilo and learns of an ancient cult of kings connected by a single bloodline extending through centuries Danilo is
on a quest to invigorate this line of kings by initiating them and training them to use their power Those who had been denied
their own birthright died so that Danilo might live Now Jamie must choose whether to return to the world he has known or to
join his lover and mentor in a life of passion power and blood
