She Holds My Kids Hostage Cory Wright, 2004-11-01 To all the ignorant moms and dads that are currently emotionally abusing their children as a means to hurt their chosen sperm or egg donors Stop it There is a big difference in protecting your child and not wanting your child to love their mother or father Using children as pawns is a distasteful and disgraceful classless act that should be punishable by law In our corrupted society the last component of honesty and innocence is our children Unfortunately they will learn of these travesties in time but we as parents should not teach the perfected nuances of it to them Let s be mature about raising our children and encourage them to love both parents without the threat of being hated or abandoned for doing so And to all the ignorant adults that encourage these acts of child terrorism you re just as guilty Because if you truly cared about the benefit and welfare of the children involved you would not tolerate the actions of the offending parties
