**She Wears the Pants** Abigail Barone,2004-02-01      Gideon Cynthia Woolf,2015-09-17 The Surprise Brides One determined mama four reluctant brothers four mail order brides Meet Jamie Caleb Gideon and Ethan As the local preacher Gideon Fraser often talks about the many virtues of a good marriage but that doesn't mean he has the slightest inclination of claiming a bride of his own No he's been burned before by greedy women who only want the prestige and money the Fraser family name can provide When his mother's devious matchmaking results in his unexpected wedding Gideon looks at the beautiful face of the woman who has sworn to be his and wants nothing to do with her But Gideon is in danger of losing his heart until he discovers the truth His new wife lied to him about everything Ruby Haller needed a husband and fast A treacherous man promised her the world took her virginity and left her without a father for her unborn child When her father the town minister found out she was expecting a child he offered her hand in marriage to the meanest man in town Becoming a mail order bride appeared to be a safer choice But instead of a rancher she ends up the wife of a stubborn bull headed preacher and he's none too pleased when he discovers her duplicity Worse The local town beauty who had been courting him for years is determined to make her life a living hell But Angel Springs Colorado is a small town that can inspire big dreams It's nearly Christmas and as these two hearts heal a holiday miracle just might be within reach      *A Heartbreaking Work Of Staggering Genius* Dave Eggers,2013-02-12 Exhilarating Profoundly moving occasionally angry and often hilarious A Heartbreaking Work of Staggering Genius is finally a finite book of jest which is why it succeeds so brilliantly The New York Times Book Review A Heartbreaking Work of Staggering Genius is the unique moving memoir of a college senior who in the space of five weeks loses both of his parents to cancer and inherits his eight year old brother In his distinctive style unlike any other memoir Egger's story is an exhilarating debut that manages to be simultaneously hilarious and wildly inventive as well as a deeply heartfelt story of the love that holds a family together      From Twitter to Tahrir Square Bala A. Musa,Jim Willis,2014-06-24 This timely guide examines the influence of social media in private public and professional settings particularly the ethical implications of the cultural changes and trends created by their use In the quest for quick dissemination of information web users and content providers find both opportunity and liability in digital broadcasts Examples abound Twitter members tap into news reports well in advance of traditional print media but stories are prone to inaccuracies and misinformation Facebook shares useful data mined from member profiles but this sharing often compromises privacy It is no surprise that use of social media gives rise to a host of moral dilemmas never before encountered This book sheds light on the effects of this new medium on the individual and society Through two volumes chock full of topics found in news headlines everyday the authors look at evolving trends in social media and their impact on privacy politics and journalism The first volume explores the role of this technology on national and international security Volume 2 focuses on the individual as both a producer and consumer of internet content showing how the media itself is
