**She Who Restores the Roman Empire** David Criswell, 2002-10 Of The Biblical prophecy of the Whore of Babylon St Augustine said that the Church of Rome would one day apostatize while St Jerome hinted that the day of apostasy may have already begun but today even many Protestants reject this notion arguing instead that a new Babylonian kingdom will arise in Iraq She Who Restores the Roman Empire is a thorough survey of this controversial prophecy It examines the prophetic interpretations throughout history and shows their impact upon history It shows how the prophecy itself helped shaped the Reformation and counter Reformation It also discusses the newer interpretations which predict a revival of ancient Babylon or a global New Age religion Dr Criswell s conclusion is based on thorough exegesis and on historical precedent He contends that it is the Harlot who will initiate the restoration of the Roman Empire and the anti Christ will initially be his puppet before turning on her and destroying her great city Napoleon was an archetype of the coming anti Christ who will promise a new world but deliver destruction David Criswell has done an outstanding job in handling the subject of Babylon the Harlot in the book of Revelation As a Tyndale Seminary graduate student he was a thorough researcher and scholar No matter what your view on the Babylon issue this book is a classic at analyzing the subject The reader will find this treatise a fascinating adventure in Bible study Dr Mal Couch president Tyndale Seminary

Kenneth Atkinson, 2020-06-01 Despite her status as one of history s most important women the story of Galla Placidia s life has been largely forgotten Though the Roman empress witnessed the decline and fall of the Roman Empire in the 5th century and lived a life of almost constant suffering her actions helped postpone the fall of Rome and had massive widespread impact on the empire that can still be felt today She watched the barbarian king Alaric and his horde of Visigoth warriors sack Rome slaughter many of the city s inhabitants and take her hostage Surviving captivity Galla Placidia became the queen of the barbarians who had imprisoned her Eventually she became the only woman to rule the Roman empire alone Soldiers obeyed her commands while Popes and Christian saints alike sought her advice Despite all obstacles and likely suffering from what we now know as PTSD she lived to an old age by the standards of the time This book uses the letters and writings of Galla

Placidia's contemporaries to reconstruct in more depth and detail than has previously been attempted the remarkable story of her life and the decline and fall of the Roman Empire      **History of the Roman Empire** Thomas Keightley, 2024-08-15 Reprint of the original first published in 1841      The Roman Empire James W.
