colonialists      *Maturing Your Catholic Faith* Antonio Montes Orozco, When we stop being children and enter adult life we achieve achievements that fill us with satisfaction a good job starting a family economic solvency a standard of living that gives us material comfort But life also brings blows that we did not expect We all have had one or more the betrayal of a friend an accident a serious illness the loss of a loved one the loss of a job financial difficulties the breakdown of a marriage When these things happen to us we become vulnerable Vulnerable to anxiety and anger which leads us to attack others verbally or physically Vulnerable to depression and fear which nullifies our ability to reason and decide Vulnerable to the fear of death which takes away our hope and joy But it is possible to get out of all that and find a Peace that will never abandon you It is something that you knew but that you have forgotten the Catholic Faith in which you were educated Yes I know when you were a child all that religion was fine But at some point you became an adult there were other priorities and you moved away from the Faith that you were taught Well it s about time someone told you about this as an adult the Catholic Faith is not about blindly believing what you re told It is something else It is trusting someone Someone you will have a close friendship with Someone who will continually prove to you that they are trustworthy Someone who will always help you Someone who will always give you much more than what you ask for That Someone is none other than Jesus of Nazareth No He is not just a historical figure He lives and seeks your friendship Let me propose a way back *Maturing Your Catholic Faith* This book is the guide you need to resume that friendship from which you walked away as an adult The book begins by appealing to your reason and your intellect You are already an adult not a child You need empirical truths and solid reasoning Therefore *Maturing Your Catholic Faith* empirically shows you that Jesus is God that He was on Earth just over two thousand years ago that He worked miracles that He was killed and that on the third day He rose again showing Himself to His disciples for forty days *Maturing Your Catholic Faith* also shows you the necessary steps to regain your friendship with Jesus I ll tell you the first stop doing things stop receiving interruptions turn off your cell phone It s as simple as that stop and observe for a few minutes The other steps are also simple and bearable Jesus Christ does not put unbearable burdens on us On the contrary friendship with Him is liberating He frees us from fear He frees us from anger He frees us from the frustration in which we live He frees us from anxiety when faced with problems He frees us from the fear of death You may be wondering who the author of this book is My name is Antonio Montes Orozco I am neither a priest nor a bishop nor a theologian I am a professional someone like you I studied Telecommunications Engineering at the Polytechnic University of Madrid I make my living as an expert in Agile methodologies which are used in software development In 2016 I returned to the Catholic Faith By writing *Maturing Your Catholic Faith* I wanted to share with other people how to make this journey back Everything I say in the book is based on my personal experience On this path I have reached a conclusion that may seem radical to you but that is born from experience distancing yourself from Jesus destroys your life Getting closer to Him frees you and gives you Peace I invite you to see by yourself with *Maturing Your Catholic Faith*      **Naga Queen Vicky**

*Escaping Nazi Germany* Joachim Schlör,2020-11-26 Carefully piecing together the personal letters of Alice Liesel Schwab *Escaping Nazi Germany* tells the important story of one woman s emigration from Heilbronn to England From the decision to leave her family and emigrate alone to gaining her independence as a shop worker and surviving the Blitz to the reunion with her brother and parents in England and shared grief as they learn about the fate of family members who died in the Holocaust her story provides powerful insight into both the everyday realities of German Jewish refugees in Britain and the ability of letters and life writing to create transnational networks during times of trauma and separation Elegantly written and deeply researched Joachim Schl r s emphatic and unflinching re telling of Alice Schwab s life sheds new light on the Jewish experience of persecution during the Holocaust and adds nuances to current debates on emigration memory and identity This book is an essential primary resource for scholars of modern European history and Jewish studies offering a compelling and intimate route into understanding what it meant to be a Jewish refugee caught up in the tragic and tumultuous events of World War II
