*Humanistic Letters* Eric Adler,2023-09-01 Irving Babbitt 1865 1933 and Paul Elmer More 1864 1937 were the leading lights of the New Humanism a consequential movement of literary and social criticism in America Through their writings on literary educational cultural religious and political topics they influenced countless important thinkers such as T S Eliot C S Lewis Russell Kirk Benedetto Croce Werner Jaeger and George Will Their work became the source of heated public debates in the 1920s and early 1930s The belligerent criticisms of Babbitt and More composed by such famous intellectuals as Ernest Hemmingway and H L Mencken have ensured that the New Humanism has seldom been properly appreciated Humanistic Letters helps remedy this problem by providing for the first time the extant correspondence of Babbitt and More which gets to the heart of their intellectual project      **Methods and Materials of Literary Criticism** Charles Mills Gayley,Benjamin Putnam Kurtz,1920      **The Cumulative Book Review Digest** ,1905      **The Bookman's Manual** Bessie Graham,1928
