**The Overmountain Men** Pat Alderman,1970 Originally published 1970 without index **The Great Missouri Raid** Michael J. Forsyth,2015-03-27 In 1864 General Sterling Price with an army of 12 000 ragtag Confederates invaded Missouri in an effort to wrest it from the United States Army s Department of Missouri Price hoped his campaign would sway the 1864 presidential election convincing war weary Northern voters to cast their ballots for a peace candidate rather than Abraham Lincoln It was the South s last invasion of Northern territory But it was simply too late in the war for the South to achieve such an outcome and Price grossly mismanaged the campaign guaranteeing the defeat of his force and of the Confederate States This book chronicles the Confederacy s desperate final ill fated attempt to win a decisive victory

**Exploring the American Civil War through 50 Historic Treasures** Julie L. Holcomb,2021-05-15 Exploring the American Civil War through 50 Historic Treasures brings together historic objects documents artwork and the natural and built environments to tell the full story of this important event in American history The American Civil War still matters It matters because the war its causes and its consequences continue to influence America as a nation At its core the Civil War was about slavery Began as a fight to secure the future of slavery the Civil War resulted instead in the abolition of slavery The complex racial issues at its core however remain with us today Exploring the American Civil War through 50 Historic Treasures begins with the causes of the war examining objects that tell the story of slavery and its expansion in the nineteenth century Cultural treasures representing the war years explore the battlefield and the homefront and the men and women caught up in the war as well the ways in which the scale of the war forced technological innovations Given the centrality of slavery race and emancipation in the story of the Civil War one section presents objects that detail how free and enslaved blacks transformed the war effort and were in turn transformed by the war In the final section the historic treasures

trace the ongoing impact of the war including the dramatic increase in the removal of Confederate monuments in the summer of 2020 Each object s story is detailed with color photos that draw readers into the story of the American Civil War Many of these objects appear here in print for the first time      **Shelby's Expedition to Mexico** John N.

Edwards,2007-02-01 Confederate general Joseph O Shelby and his legendary Iron Brigade refused to acknowledge the end of the Civil War Instead they fought their way to Mexico in search of a place where they could continue to defy the U S government These veteran Missouri cavalrymen clawed their way for fifteen hundred miles fighting Juaristas Indians desperados and disgruntled gringos They disbanded only after they had offered their services to Emperor Maximilian and were turned down Shelby s adjutant journalist John N Edwards first published his story of the exploits of this superb mounted brigade and its quixotic final march in 1872 Conger Beasley provides a lively introduction that includes the first biographical sketch of the author The 1969 movie The Undefeated starring John Wayne and Rock Hudson was based upon Shelby s expedition

**Confederate Generals in the Trans-Mississippi, Vol 1** Lawrence L. Hewitt,Arthur W. Bergeron,Thomas E. Schott,2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts      **Jo Shelby's Iron Brigade** Jo Shelby's Iron Brigade,2007-07-15 An in depth biography of the Confederate

cavalry commander who fought in the Trans Mississippi Theater of the Civil War When the Confederacy collapsed Gen Joseph

Orville Shelby refused to surrender In 1861 he had started a Missouri company that grew into the greatest Confederate cavalry brigade west of the Mississippi This book follows the triumphs of the Brigade of the Confederate States Army all the way to the crossing of a contingent of the brigade into Mexico at the end of the war A planter and rope manufacturer from Kentucky Shelby operated entirely in the trans Mississippi West He served in the Missouri State Guard as a company commander at Carthage Wilson s Creek and Pea Ridge He then returned to Missouri to raise a regiment A daring raid to the Missouri River in the fall of 1863 earned him a promotion to brigadier general Shelby s Brigade fought valiantly at the Battle of Westport the Gettysburg of the West and repeatedly saved Gen Sterling Price s army from capture on the retreat south A descendant of a Shelby s Brigade member Deryl P Sellmeyer offers an evenhanded view of this impressive military leader and his men The author s decades long research of Shelby s life and his principal officers is evident as he details the history of the famous brigade

Unruffled Courage Sandra Kay Hamilton Welch,Danny Lee Welch,2012-10-18 UNRUFFLED COURAGE THE ADVENTURES OF AMERICAN PATRIOT BENJAMIN HAMILTON AND A CHEROKEE MAIDEN NAMED MOONGLOW is a passionate story set in the untamed western expanse of colonial America Benjamins deeply rooted love of country propels him headlong into a fierce battle of wills pitting his newly formed regiment of experienced over mountain men and Indian fighters against a larger force of British loyalists and regulars on a low lying ridge in York County South Carolina known as Kings Mountain Then when Benjamin is sent on a spying mission against a renegade band of Cherokees his life is forever changed when he happens upon an Indian maiden named Moonglow bathing in the chilly mountain waters of Spring Creek The historical yet freely embellished character driven tale soon takes a sudden turn when Moonglow is threatened by a pack of ferocious timber wolves Thinking only of her safety Benjamin saves the defenseless maiden but then has to flee for his life just moments after learning her name when braves in her village hear gunshots and come looking for him Using a most unconventional tactic he escapes capture Now separated from Moonglow by distance and time the brave patriot finds love in the arms of Mary Rankin only to lose her and their unborn baby when she suddenly dies He is left heartbroken But fate steps in and reunites the patriot with the Indian maiden Benjamin passionately expresses his long repressed feelings for the Cherokee and Moonglow now hopelessly in love with the handsome blue eyed patriot makes a decision that will cause her to be revered as a true American heroine
