Shelleys Jane Williams:

Shelley's Jane Williams Joan Rees, 1985 **The Romantic Life of Shelley and the Sequel** Francis Henry Gribble, 1911 **After Shelley. Letters to Jane Williams** Thomas Jefferson Hoog, 1934 **Shelley's Living Artistry** Madeleine Callaghan, 2017 This study of the poetry and drama of Percy Bysshe Shelley reads the letters and their biographical contexts to shed light on the poetry tracing the ambiguous and shifting relationship between the poet's art and life For Shelley both life and art are transfigured by their relationship with one another where the poet participates in the eternal the infinite and the one but is equally bound up with and formed by the society in which he lives and the past that he inherits Callaghan shows that the distinctiveness of Shelley's work comes to rest on its wrong footing of any neat division of life and art The dazzling intensity of Shelley's poetry and drama lies in its refusal to separate the twain as Shelley explores and finally explodes the boundaries between what is personal and what is poetic Arguing that the critic like the artist cannot ignore the conditions of the poet's life Callaghan reveals how Shelley's artistry reconfigures and redraws the actual in his poetry The book shows how Shelley's poetic daring lies in troubling the distinction between poetry as aesthetic work hermetically sealed against life and poetry as a record of the emotional life of the poet **The Other Mary Shelley** Audrey Fisch, Anne K. Mellor, Esther H. Schor, 1993-07-08 Although Frankenstein is now widely taught in classes on Romanticism little attention has been paid to the considerable corpus of Mary Shelley's other works Indeed the excitement of the last decade at feminist approaches to Frankenstein has ironically obscured the persona of its author This collection of essays written by a preeminent group of Romantic scholars sketches a portrait of the other Mary Shelley the writer and intellectual who recognized the turbulent interplay among issues of family gender and society and whose writings resonate strongly in the setting of contemporary politics culture and feminism By analyzing a previously neglected body of novels novellas reviews travel writing essays letters biographies and tales and by emphasizing Mary Shelley's shrewd assessment of Romanticism the essays in this volume offer a ground breaking evaluation of one of the foremost cultural critics of the nineteenth century **The Shelleys and the Brownings** Rieko Suzuki, 2022-01-13 This book is about the intertextual relationships between the works of the Shelleys and the Brownings While a lot of research has been done on the relationship between Percy Bysshe Shelley and Robert Browning virtually nothing has been said about the links between Mary Shelley and Robert Browning and very little on the connections between the Shelleys and Elizabeth Barrett Browning Rieko Suzuki seeks to address this blind spot by focusing on three areas in particular firstly the way that Browning's later poems reflect back on and re-engage with Shelley's work secondly Mary Shelley's influence on Browning's early poems and thirdly Shelley's presence in and influence on Elizabeth Barrett Browning's writing In mapping out the various ways in which texts relate to other texts the book also identifies a number of important thematic threads that run throughout the work of all four writers These include theories of history and historical consciousness providing a further dimension to the question of influence They

also include ideas about exile gender liberal politics and cultural heritage central to almost all the texts discussed here as the Shelleys and the Brownings in different ways and in varying contexts tried to negotiate the possibility of a more tolerant and resilient social political and cultural environment *The Selected Poetry & Prose of Shelley* Percy Bysshe Shelley, 1994 This edition contains all Shelley's poetry from his juvenilia to his great works such as *The Revolt of Islam* and *Ode to the West Wind* and his only completed verse drama *The Cenci* a melodramatic Venetian tale of incest murder and revenge After Shelley: the Letters of Thomas Jefferson Hogg to Jane Williams Thomas Jefferson Hogg, 1975 **Lives of the Great Romantics, Part III, Volume 3** Harriet Devine Jump, Pamela Clemit, Betty T Bennett, John Mullan, 2020-04-28 This volume sheds light on contemporary perception of William Godwin Mary Wollstonecraft and Mary Shelley a biographically and intellectually compelling literary family of the Romantic period The writings reveal the personalities of the subjects and the motives and agendas of the biographers *The Faust Draft Notebook* Percy Bysshe Shelley, 2022-05-30 First published in 1997 This is noted as Volume XIX of the Bodleian Shelley Manuscripts and included drafts of *Scenes from the Faust* of Goethe *Ginevra* *Scenes for the Magico Prodigioso* of Calderon and more This volume also includes commentaries and annotations combining wide range scholarship encompassing a large portion of the best that has been known and thought about Shelley and his writing from his day to ours with speculations and re evaluations of the accepted truths of Shelley studies **The Oxford Handbook of Percy Bysshe Shelley** Madeleine Callaghan, 2013 The book is an authoritative and up to date collection of original essays on one of the greatest of all English poets Percy Bysshe Shelley It covers a wide range of topics exploring Shelley's life and work from various angles **The Annotated Shelley: Poems from Italy** Percy Bysshe Shelley, 2024-04-05 A fully annotated Shelley edition containing poems inspired by the poet's last four years in Italy As well as reliable versions of the key texts there are summaries notes glossing difficult words or phrases and technical notes Each poem also comes with concise biographical information and intertexts extracts from related works as well as letters influences critical material and other texts to deepen understanding stimulate discussion and promote wider reading *The Poems of Shelley: Volume Six* Carlene Adamson, Will Bowers, Jack Donovan, Kelvin Everest, Mathelinda Nabugodi, Michael Rossington, 2024-06-20 Percy Bysshe Shelley 1792-1822 was one of the major poets of the English Romantic period This is the final volume of a six volume edition of *The Poems of Shelley* which aims to present all of Shelley's poems in chronological order and with full annotation Date and circumstances of composition are provided for each poem and all manuscript and printed sources relevant to establishing an authoritative text are freshly examined and assessed Headnotes and footnotes furnish the personal literary historical and scientific information necessary to an informed reading of Shelley's varied and allusive verse Most of the poems in the present volume were composed between late January 1822 and Shelley's death on 8 July 1822 These include the lyrics to *Jane Williams* *Fragments of an Unfinished Drama* and *The Triumph of Life* as well as translations from Goethe's *Faust* 1822 and Calderon's *El magico prodigioso* The appendices include editions of *Poetical Essay*

The Real Shelley John Cordy Jeaffreson, 1885 **Shelley's Music** Paul A. Vatalaro, 2016-01-13 First published in 2009 This book argues that the images of and allusions to music in Shelley's writing demonstrate his attempt to infuse the traditionally masculine word with the traditionally feminine voice and music This further extends to his even more fundamental desire to integrate the object voice with his own subjectivity For Shelley what plagues this integration is the prospect of losing both the poet's authority and the subjectivity upon which it relies This book asserts that the resultant deadlock and instability paradoxically becomes Shelley's ultimate goal creating a steady state of suspension that finally preserves both his authority and his humanity **Shelley's 1821-1822 Huntington Notebook** Percy Bysshe Shelley, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate **Young Romantics** Daisy Hay, 2024-05-01 An eminently readable account of the interconnected lives of Leigh Hunt Percy and Mary Shelley Mary's

stepsister Claire Clairmont Lord Byron and Keats Independent Young Romantics tells the story of the interlinked lives of the young English Romantic poets from an entirely fresh perspective celebrating their extreme youth and outsize yearning for friendship as well as their individuality and political radicalism The book focuses on the network of writers and readers who gathered around Percy Bysshe Shelley and the campaigning journalist Leigh Hunt They included Lord Byron John Keats and Mary Shelley as well as a host of fascinating lesser known figures Mary Shelley s stepsister and Byron s mistress Claire Clairmont Hunt s botanist sister in law Elizabeth Kent the musician Vincent Novello the painters Benjamin Haydon and Joseph Severn and writers such as Charles and Mary Lamb Thomas Love Peacock and William Hazlitt They were characterized by talent idealism and youthful ardor and these qualities shaped and informed their politically oppositional stances as did their chaotic family arrangements which often left the young women despite their talents facing the consequences of the men s philosophies In *Young Romantics* Daisy Hay follows the group s exploits from its inception in Hunt s prison cell in 1813 to its disintegration after Shelley s premature death in 1822 It is an enthralling tale of love betrayal sacrifice and friendship all of which were played out against a background of political turbulence and intense literary creativity Hay examines the turbulent communal existence of the English Romantic poets astutely parsing the intricate circumstances that led to this network s distinctive creative output *The New Yorker* *The Life & Letters of Mary Wollstonecraft Shelley* Mrs. Julian Marshall, 1889 **The life & letters of Mary Wollstonecraft Shelley** Florence Ashton Marshall, 1889
