Universal Over-presence and the Spiritual Spheres Charles H. Betts, 1911 *Christ's Object Lessons—Illustrated* Ellen
G. White, 2013-02-05 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring
and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction
as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable
teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the
builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and
beautiful thoughts of God's loving interest in us of the grateful homage that is His due and of the care we should have one for
another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these
things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will

open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35
Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected
with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ s parables are links in the
chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their
subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a
richer meaning to the common surroundings of everyday life *The Chautauquan* ,1913
