The Prayer of Jabez is one of the outstanding prayers in the Bible. Not only does it present to the Christian what prayer is but it is also a prayer offered by a man that was never referenced anywhere else in the Bible. This prayer was presented to God in the simplest form and the result was outstanding for God granted him that which he requested. This book is intended to present the simplicity with which to make our requests known to God. The effectiveness of this prayer was simply because Jabez called on the Almighty God who is a covenant keeping God. The principles mentioned in this book will guide and aid the readers in presenting their petitions to God. It also presents a picture of what happens once God answers our prayers.
