NYRB Classics Original Robert Sheckley was an eccentric master of the American short story and his tales whether set in dystopic city scapes ultramodern advertising agencies or aboard spaceships lighting out for hostile planets are among the most startlingly original of the twentieth century Today as the new worlds alternate universes and synthetic pleasures Sheckley foretold become our reality his vision begins to look less absurdist and more prophetic This retrospective selection chosen by Jonathan Lethem and Alex Abramovich brings together the best of Sheckley s deadpan farces proving once again that he belongs beside such mordant critics of contemporary mores as Bruce Jay Friedman Terry Southern and Thomas Pynchon

My Name Is Red Orhan Pamuk,2006-12-05 The Nobel Prize winner and one of today s most prominent contemporary Turkish writers delivers a novel that is a fiendishly devious mystery a beguiling love story a brilliant symposium on the power of art and a modern classic rich and essential Los Angeles Times Book Review set amid the splendor and religious intrigue of sixteenth century Istanbul The Sultan has commissioned a cadre of the most acclaimed artists in the land to create a great book celebrating the glories of his realm Their task to illuminate the work in the European style But because figurative art can be deemed an affront to Islam this commission is a dangerous proposition indeed The ruling elite therefore mustn t know the full scope or nature of the project and panic erupts when one of the chosen miniaturists disappears The only clue to the mystery or crime lies in the half finished illuminations themselves Part fantasy and part philosophical puzzle My Name is Red is a kaleidoscopic journey to the intersection of art religion love sex and power Translated from the Turkish by Erda M G knar
