Simply Open Greg Paul, 2015-01-13 The simplest most transformative prayer you may ever pray the five senses prayer This book invites you to a simple practice of prayer and awareness that can turn each ordinary workday into a deepening spiritual journey No matter where you are or how busy you get your five senses are always on your mind and heart responsive to what you perceive These channels of awareness can take you deeper into God s great mystery if you practice the discipline of submitting them to the One who is

closer than you imagine The beauty of such a contemplative path is that you can follow it anywhere alone or in company in quiet meditation or amid the bustle of your craziest day Moment by moment you invite God to open you up eyes ears nostrils hands and mouth heart and mind And moment by moment as you open yourself you ll find yourself closer to God s grace filled and wide open heart Simply Open *Janaloka's Calling* Chinmoy Mukherjee, 2025-08-15 Every life no matter how mundane on the surface holds the potential for an extraordinary journey For Chunmun Singh a solutions architect in the bustling heart of Sydney his world was meticulously ordered lines of code network diagrams and the predictable rhythm of corporate life Yet beneath this veneer of logic and structure an inner yearning stirred a quiet dissent against the accepted boundaries of reality This is the story of that unseen yearning of a path diligently forged not through ambition or material gain but through the profound often challenging discipline of self purification It is a tale of a soul s unlikely ascent to a celestial realm a place whispered about in ancient texts where wisdom is absolute and purity is paramount But what happens when the very qualities that grant access to such a sacred space are precisely what are put to the ultimate test This novella chronicles Chunmun s transformative journey a testament to the idea that even the most grounded among us might find their spirit called to an uncharted ascent only to discover that true enlightenment lies not in the destination but in the profound lessons of the return illuminating his path with a new vibrant clarity *Religious Internationalism* Matthew Lon Weaver, 2010 Religious Internationalism assembles and assesses for the first time the ethics of war and peace in the writings of Paul Tillich It sketches the evolution of Tillich s thought from the period of his service in the German Imperial Army through the time of the Cold War The work begins by analyzing Tillich s theological roots and his World War I chaplaincy sermons as the starting point for his thoughts on power and nationalism Then Religious Internationalism looks to his postwar turn to socialist thought and his participation in religious socialism fueling his cultural analyses and culminating in his forced emigration under Hitler Next it probes the American interwar period giving special attention to Tillich s self described boundary perspective as well as the one treatise he wrote on religion and international affairs The book also examines his Voice of America speeches written and broadcast into his former homeland during World War II Weaver next considers Tillich s message to his English speaking audience of that period emphasizing social and world reconstruction The discussion continues by examining his vision of a path toward personhood in a bipolar world Finally the book constructs Tillich s ethics of war and peace as an ethic of religious internationalism suggesting adjustments intended to give it more universal significance The study concludes that Tillich s thought has provocative contributions to make to debates regarding civilizational conflict economics and international justice trade and globalization the defense of unprotected minorities and immigration policy Book jacket *From Chaos to Calm: A Mindfulness Guide* Kelsey Lorimer, Life can feel overwhelming rushing from one task to the next juggling responsibilities and carrying the weight of constant noise and pressure From Chaos to Calm offers a pathway back to balance showing you how to use mindfulness to anchor yourself in the present moment With warmth and clarity Kasey
