Many simple truths are forgotten but it is those truths that can help you to continue walking in the path that God has prepared. This book will help you to identify, recall, and hold on to those truths. Blanchard, Ken Blanchard, Randy Conley, 2022-02 Leadership legend and bestselling author Ken Blanchard and trust expert and thought leader Randy Conley present this carefully curated collection of fifty-two essential leadership principles that are easy to implement and practice. Yet somehow many of these fundamental principles are still missing from most workplaces. In *Simple Truths of Leadership*, legendary servant leadership expert Ken Blanchard, whose books have sold millions of copies worldwide, and his colleague Randy Conley, known and recognized for his many years of thought leadership and expertise in the field of trust, share fifty-two Simple Truths about leadership that will help leaders everywhere make commonsense leadership common practice. Readers will discover profound, memorable, and in some cases counterintuitive leadership wisdom such as: Who should make the first move to extend trust? What role does a successful apology play in building trust? When to use different leadership styles for different folks and for the same folks? Where the most important part of leadership happens? How to create autonomy through boundaries? Why the key to developing people is catching them doing something right? A fun, easy read that will make a positive difference in leadership and organizational success. *Simple Truths of Leadership* will show readers how to incorporate simple but essential practices into their leadership style, build trust through servant leadership, and enhance their own lives and the lives of everyone around them. *Simple Truths* Richard A.
