Simplicius Simplicissimus:

The Adventures of Simplicius Simplicissimus Hans Jakob Christoffel von Grimmelshausen, 2018-03-01 Gaudy wild raw amusing rollicking and ragged boiling with life on intimate terms with death and evil but in the end contrite and fully tired of a world wasting itself in blood pillage and lust Thomas Mann A story of war in all its absurdity and horror this incomparable novel describes the fortunes of a young boy travelling through a world ravaged by conflict and the terrible things he witnesses Written by someone who fought in the Thirty Years War which decimated Europe in the seventeenth century it combines brutal documentary realism with fantastical knockabout humour to depict a universe turned upside down This pioneering work of fiction is considered to be the first great German novel Translated by J A Underwood with an Introduction by Kevin Cramer

The Adventures of Simplicius Simplicissimus Hans Jakob Christoph von Grimmelshausen, 1993 Written against a background of the Thirty Years War and first published in 1669 this renowned picaresque classic recounts with wonderful biting satire the vagabond adventures of a not so simple simpleton during one of Europe's fiercest yet ultimately most futile wars Simplicius is an earthy character he humiliates the mighty confounds the gods ridicules the pretentious The translation uses the authoritative first edition for its text and though it has been slightly abbreviated no essential passages have been sacrificed This unexpurgated translation reflects the linguistic turmoil and richness of German in the 17th century it is ideal as the centrepiece for courses in German literature in translation and courses in the European Baroque

Adventures of Simplicius Simplicissimus Hans Jakob Christoph von Grimmelshausen, 2005 Mike Mitchell's new translation replaces S Goodrich's 1912 version of the first German bestselling novel Simplicissimus is the eternal innocent caught in the middle of the Thirty Years War The novel follows a boy from the Spessart named Simplicius in the Holy Roman Empire during the Thirty Years War as he grows up in the depraved environment and joins the armies of both warring sides switching allegiances several times Born to an illiterate peasant family he is separated from his home by foraging dragoons and is eventually adopted by a forest hermit He is conscripted at a young age into service and from there embarks on years of foraging military triumph wealth prostitution disease travels to Russia and countless other adventures

The Adventurous Simplicissimus Hans Jakob Christoph von Grimmelshausen, 1912 The life of a strange adventurer named Melchior Sternfels von Fuchshaim namely where and in what manner he came into this world what he saw learned experienced and endured therein also why he again left it of his own free will

Adventures of a Simpleton Hans Jakob Christoph von Grimmelshausen, 2002-10-31 Simplex starts out in life as innocent as any child even more so But then the soldiers came And Simplex takes his first stumbling step out into the wide world He is pressed into service as a court jester and carried off by the Croats He fights in the war now on this side now on that As a fancy free lighthearted gallant he slips into a pretty girl's boudoir only to be escorted from it the same night as a trapped and heavyhearted husband He acquires great wealth by robbery and sinks into poverty out of magnanimity
