A Rose of Tales LaShonda Green,2014-09-13 A Rose of Tales is my introduction to the world as an author The original title was Life s Mayhem but when I read through it life really wasn t that bad A Rose of Tales is a fun mix masterpiece of poetic tales loosely based on my personal life experiences dealing with love loss self esteem fantasy and other challenges we face in everyday living A lot of the work was written between 2005 and 2009 It took me a long time to self publish the book because I was a little scared of the potential success or failure that may follow Then I realized What good is having a talent that no one else can enjoy You may laugh you may cry you may even get wide eyes but just know every petal holds a tale of its own
