ancients mists of time when milk and bread was delivered to each home by horse and cart Truly My family immigrated to Australia in 1965 where we eventually settled on the Gold Coast in Queensland I went to Julian Ashton s Schools of Fine Arts in Sydney after high school But life had other plans for me as I ended up in civil engineering working as a design draftsman for Queensland Transport in highway design and town planning A decade later I started up a company called Couchman Creations where I used to design and manufacture and export cross stitch patterns which were sold worldwide **Living Simply** Joanne Heim,2010-05-19 Quality Over Quantity Means a Great Life Whew You can multitask like a pro you prove it every day But while you re used to being pulled in multiple directions that doesn t mean you like it You yearn for something more not on your to do list but in the heart of daily living Now Living Simply shows you how to make this ideal life your real life today Joanne Heim s refreshing perspective and pointed guidance address specific areas you d like to transform from family and friendships to meals and celebrations This book responds to the longings of your heart not with pat answers but with practical solutions Never have such simple changes yielded such sweeping results Errands to run Friends to meet Laundry to fold Dinner to cook Messages to check Calls to make Gas tank to fill Lists to do Notes to self Bills to pay Dog to walk Appointments to make Schedules to keep Lunches to pack Party to plan Enjoy true abundance This is the book I wanted to write but was too busy simplifying my life I laughed out loud and am provoked to action Well done Joanne Lisa Ryan If you find yourself living a full life rather than simply living life to the fullest this book is for you Lisa Whelchel Story Behind the Book Simplicity is not just about cooking a month s worth of meals in one day or learning how to speed clean your kitchen says Joanne Heim Women long for a better quality of life but we wonder just how to get it In Living Simply I ponder what it takes to slow down and downsize while living in a culture that supersedes everything from french fries to SUVs I want more meaning and less stuff and simplicity is a means to a better quality of life Choosing this isn t about turning my back on the world or lowering my expectations but about making wise choices and finding the abundant life promised by Jesus
