Simply Delicious Versatile Vegetables:

Simply Delicious Versatile Vegetables Darina Allen, 1994 Vegetables have had an image problem over the years. Traditionally they have been regarded solely as an accompaniment to the main course rather than being allowed to star in their own right. This book demonstrates the versatility of 28 vegetables in a collection of recipes. Naturally grown vegetables are full of goodness, healthy and often very good value for money. So this book is ideal not only for the ever increasing number of vegetarians but for all who realize that crisp vegetables deserve a better fate than to be boiled into oblivion. Practical hints for the growing of vegetables are also included. Other books by Darina Allen: *Darina Allen's Ballymaloe Cookery Course*, *Irish Traditional Cooking*, *Simply Delicious*, *Simply Delicious 2*, *A Simply Delicious Christmas*, *Simply Delicious Fish*, *Simply Delicious Recipes*, *B Format A Year at Ballymaloe*. **Simply Delicious** Deborah Evanochko, 2013-11-04 Many of my recipes are Old World classics including some from my baba. Others are my own creations. I don't like to make the same food every day so I try new things and different flavours. My book is all about comfort food that tastes great and doesn't require too much work in the kitchen. My son is my biggest fan and if it wasn't for him I don't think this book would have been finished. He always encouraged me to continue and to include his favourites. You'll find a variety of entrees, appetizers, side dishes and desserts but the real reason I started this book was to share the recipe for my famous cinnamon buns. They're the sweetest and the biggest buns you will ever make. Once you make these amazing buns everyone you know will love you forever. My neighbours still can't wait till I make them again. You will truly fall in love with the recipes in this cookbook. They're so simple and delicious you'll want to try all of them. *Simply Delicious* Kyndra Holley, 2025-07-08 100 quick flavorful recipes using accessible ingredients and timesaving cooking methods making it easy to create delicious meals without spending hours in the kitchen.
