literary forebear of the European tradition *Nostalgia After Nazism* Heidi M. Schlipphacke, 2010 *Nostalgia After Nazism* is a compelling sophisticated entry in the growing field of German and Austrian memory studies. It introduces into German studies a nuanced set of tools drawn from the broad panoply of contemporary theory and sets those voices onto the broader historical landscape of post World War II confrontations between the West's recent history and its present. The result is a highly readable impeccably documented volume that joins the best of literary history and close readings to a broad spectrum of theoretical models. *Nostalgia After Nazism* offers an exemplary model for cultural scholarship after the supposed end of theory, recapturing how theory, history and the texts of culture are mutually illuminating.
