Pink, Arthur W Pink 1886 1952 In this booklet A W Pink examines the following aspects of the Holy Spirit's work in salvation regenerating quickening enlightening convicting comforting drawing and working faith His biblical insights regarding the first regeneration and the last faith are particularly valuable today because these two areas are frequently misunderstood by modern evangelicals Regeneration for example is believed by many to be the result of one's decision for Christ But as Pink shows regeneration precedes repentance and belief Likewise and also unlike what many believe today faith is not something that can be produced at will but is a gift of God given by the Holy Spirit It is sometimes lamented that the Holy Spirit is the forgotten member of the Trinity but forgotten or not it is always profitable to study the Spirit's work especially His role in salvation as presented in this booklet *Sin, the Savior, and Salvation* Robert P. Lightner, The author studies what Jesus believed about the inspiration and inerrancy of the Old Testament Scriptures and how that belief should affect our view of biblical authority This book crystallizes in clear concise and correct terms the essentials of the doctrine of sin and salvation better than any other Norman L Geisler *Salvation Applied by the Spirit* Robert A. Peterson, 2014-11-30 The doctrine of believers' union with Christ has undergone a renaissance in recent years Evangelicals are rightly fascinated by this previously neglected doctrine a doctrine with wide ranging implications for the whole of Christian theology and the Christian life Drawing on his extensive teaching and research experience theologian Robert Peterson has written one of the most comprehensive theological treatments of union with Christ to date highlighting the Spirit's crucial role in uniting God to his people
