Kaplan,2011-11-01 Frank Sinatra was the best known entertainer of the twentieth century infinitely charismatic lionized and notorious in equal measure But despite his mammoth fame Sinatra the man has remained an enigma Now James Kaplan brings deeper insight than ever before to the complex psyche and turbulent life behind that incomparable voice from Sinatra's humble beginning in Hoboken to his fall from grace and Oscar winning return in *From Here to Eternity* Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra as man as musician as tortured genius

Helluva Town Richard Goldstein,2010-04-13 In the stirring signature number from the 1944 Broadway musical *On the Town* three sailors on a 24 hour search for love in wartime Manhattan sing New York New York a helluva town The Navy boys race against time mirrored the very real frenzy in the city that played host to 3 million servicemen then shipped them out from its magnificent port to an uncertain destiny This was a time when soldiers and sailors on their final flings jammed the Times Square movie houses featuring lavish stage shows as well as the nightclubs like the Latin Quarter and the Copacabana a time when bobby soxers swooned at the Paramount over Frank Sinatra a sexy skinny substitute for the boys who had gone to war Richard Goldstein's *Helluva Town* is a kaleidoscopic and compelling social history that captures the youthful electricity of wartime and recounts the important role New York played in the national war effort This is a book that will prove irresistible to anyone who loves New York and its relentlessly fascinating saga Wartime Broadway lives again in these pages through the plays of Lillian Hellman Robert Sherwood Maxwell Anderson and John Steinbeck championing the democratic cause Irving Berlin's *This Is the Army* and Moss Hart's *Winged Victory* with their all servicemen casts Rodgers and Hammerstein's *Oklahoma* hailing American optimism the Leonard Bernstein Jerome Robbins production of *On the Town* and the *Stage Door Canteen* And these were the days when the Brooklyn Navy Yard turned out battleships and aircraft carriers when troopships bound for Europe departed from the great Manhattan piers where glamorous ocean liners once docked where the most beautiful liner of them all the *Normandie* caught fire and capsized during its conversion to a troopship Here too is an unseen New York physicist who fled Hitler's Europe spawning the atomic bomb the FBI chasing after Nazi spies the Navy enlisting the Mafia to safeguard the port against sabotage British agents mounting a vast intelligence operation This is the city that served as a magnet for European artists and intellectuals whose creative presence contributed mightily to New York's boisterous cosmopolitanism Long before 9/11 New York felt vulnerable to a foreign foe *Helluva Town* recalls how 400 000 New Yorkers served as air raid wardens while anti-aircraft guns ringed the city in anticipation of a German bombing raid Finally this is the story of New York's emergence as the power and glory of the world stage in the wake of V J Day underlined when the newly created United Nations arose beside the East River climaxing a storied chapter in the history of the world's greatest city Twentieth-century Culture Alan Bullock,Robert Bertram

Music, Movies, Meanings, and Markets Morris Holbrook, 2012-01-25 Music Movies Meanings and Markets focuses on macromarketing related aspects of film music in general and on the cinemusical role of ambi diegetic jazz in particular The book examines other work on music in motion pictures which has dealt primarily with the traditional distinction between nondiegetic film music background music that comes from off screen and is not audible to the film s characters to further the dramatic development of plot character or other themes and diegetic music source music produced on screen and or that is audible to the film s characters adding to the realism of the mise en sc ne without contributing much to other dramatic meanings This book defines describes and illustrates another hitherto neglected type of film music ambi diegetic film music which appears on screen but which contributes to the dramatic development of plot character and other themes Consistent with an interest in macromarketing such ambi diegetic film music serves as a kind of product placement suitable for commercialization via the cross promotion of soundtrack albums for example and plays a role in product design It also provides one type of symbolic consumer behavior that indicates choices made by film characters when playing singing listening or dancing in ways that reveal their personalities or convey other cinemusical meanings Morris Holbrook argues that ambi diegetic film music sheds light on various social issues such as the age old tension between art and entertainment as it applies to the contrast between creative integrity and commercialization Music Movies Meanings and Markets explores the ways in which ambi diegetic jazz contributes to the development of dramatic meanings in various films many of which address the art versus commerce theme as a central concern
