Sing To God Songs And Hymns For Christian Education:

Sing to God Mary N. Hawkes, Paul Hamill, 1984-03-01 **Encyclopedia of Christian Education** George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, *The Encyclopedia of Christian Education* contains more than 1,200 entries by 400 contributors from 75 countries. These volumes cover a vast range of topics from Christian education history, spanning from the church's founding through the Middle Ages to the modern day, to denominational and institutional profiles, intellectual traditions in Christian education, biblical and theological frameworks, curricula, missions, adolescent and higher education, theological training, and Christian pedagogy. Biographies of distinguished Christian educators are also included. This work is ideal for scholars of both the history of Christianity and education, as well as researchers and students of contemporary Christianity and modern religious education.

A Guide to the Practice of Church Music Marion J. Hatchett, 2000-01-01 An essential guide for anyone who plans to perform or takes part in the music and worship of the church. Includes helpful planning forms and extensive indices for *The Hymnal* 1982, not found elsewhere. *The Presbyterian Hymnal Companion* Linda Jo H. McKim, 1993-01-01 This helpful resource provides extensive information about each hymn in *The Presbyterian Hymnal* 1990, including background detail about hymn origins, publication history, authors, translators, composers, and arrangers. Stories about some of the hymns are also included. An excellent handbook that supplies information useful for a variety of purposes. *Invitation to Educational Ministry* George Hillman, Sue Edwards, 2018-09-25 Because teaching is at the heart of Christian ministry, the editors of *Invitation to Educational Ministry* have assembled a team of seasoned experts to present a comprehensive plan of Christian education. This volume will help church staff, parachurch leaders, and small group teachers become more effective, influential, and creative. After laying a biblical and practical foundation for Christian education, the contributors provide specific guidance on teaching a variety of individuals and groups, including children, adults, singles, seniors, and non-Christians. The final section shares valuable insights on leading small groups, teaching innovatively, and overseeing a healthy educational ministry, among other topics. Each chapter is designed to equip educators with the most relevant information and includes many useful
