The Oxford Handbook of Community Singing Esther M. Morgan-Ellis, Kay Norton, 2024 The Oxford Handbook of Community Singing shows in abundant detail that singing with others is thriving Using an array of interdisciplinary methods chapter authors prioritize participation rather than performance and provide finely grained accounts of group singing in community music therapy religious and music education settings Themes associated with protest incarceration nation hymnody group bonding identity and inclusivity infuse the 47 chapters Written almost wholly during the 2020 21 COVID 19 pandemic the Handbook features a section dedicated to collective singing facilitated by

audiovisual or communications media mediated singing some of it quarantine mandated The last of eight substantial sections is a repository of new theories about how group singing practices work Throughout the authors problematize the limitations inherited from the western European choral music tradition and report on workable new remedies to counter those constraints Party Like a Rockstar J.T. Harding, 2022-02-22 This fun and fast paced rock and roll memoir from hit singer

songwriter J T Harding shows what it takes to go from South Detroit to the top of the Nashville charts In PARTY LIKE A ROCKSTAR J T Harding charts his life from a kid growing up in Michigan to a chart topping songwriter living in Nashville and working with country music stars like Keith Urban and Kenny Chesney As a kid playing rock n roll in his parents garage Harding s was a world in which every taste of new music from KISS to Prince and everyone in between was a revelation Inspired by his favorite artists Harding abandons the classic American Dream and runs away to Los Angeles where he forms a band and becomes part of the music scene there all the while selling records to his favorite artists and producers at Tower Records A story of youth rebellion and determination PARTY LIKE A ROCKSTAR is a memoir for music lovers and an invaluable how to guide for anyone who wants to learn how to write a hit song Fun and heartfelt Harding s memoir is the story of one man s unshakable love for rock and roll how it guided him through some of the greatest tragedies and greatest triumphs of his wild and unvarnished life **The Korean Wave in a Post-Pandemic World** Geon-Cheol Shin, Mark D.

Whitaker, 2023-11-02 This book presents an analysis of how the economic Korean Miracle spread into the cultural Korean Wave Hallyu First only in Asian countries and then around the world the rising popularity of the Korean Wave continued within the pandemic despite or even because of policies of digital lockdowns Partially this has been by design as Korea for decades has had a very strong fast development drive in telecommunications and that aided the growth of its cultural wave Partially however this became exclusively by default how the Korean Wave had to spread increasingly in a digital manner after 2020 globally in response to many countries rules regarding the COVID 19 pandemic in their attempts to enforce a decline in face to face content consumption In retrospect this has meant only more digital growth and innovation for the Korean Wave in past years compared to other cultures entertainment complexes that suffered more Korea s earlier digital readiness combined with later lockdown conditions and pushed the Korean Wave further ahead Despite the ending of COVID 19 lockdowns in many countries a greater digital aftermath will continue in the cultural industry and in the economy in general This is due to changes created in cultural preferences in organizational investments and in communication technologies due to those lockdowns Thus the authors examine how the Korean Wave coped actively with a pronounced digital shift by default in all aspects of media including production distribution and consumption In turn they examine how the greater digital shift in the world s culture and economy influenced the Korean Wave s entertainment performances TV dramas and cosmetics among other areas The authors analyze general trends in the Korean Wave s economics culture and technology along with specific strong cases of the K pop boy group BTS the cosmetics manufacturer Cosmax and the

television series Squid Game Since the Korean Wave continues to grow in popularity within a more exclusive digital socialization future implications of such a competitive digital world economy and multi polar digital world culture are discussed for all countries as well

Crashing the Tea Party Paul Street, Anthony R. Dimaggio, 2015-12-03 The Tea Party has been the most high profile and controversial social movement in the US of recent times But real analysis of the Tea Party remains slim is it a genuine social movement or a topdown interest group created by the Republican Party and corporate funding Crashing the Tea Party is based on first hand observation of local Tea Party chapters and undertakes a critical journalistic and scholarly examination from the national and local level Paul Street and Anthony DiMaggio provide a carefully documented account which challenges conventional wisdoms Crashing the Tea Party fills the gap in public understanding about this particular social movement and how social movements in general relate today to the ideologies of left and right and the mass media
