Edmund Waller

Singapore The Next Lap By:

Singapore Singapore,1991 *Explaining the Economic Success of Singapore* Johnny Sung,2006-01-01 serious useful and interesting volume It is readable original creative and well researched In analyzing Singapore s experience the author provides a superb case study Moreover in providing it by venturing beyond the narrow confines of his case study Sung also makes points that are pertinent to the efficacy of development processes generally including in newer lower income and or transitional economies this reviewer recommends the book enthusiastically and without reservation Robert L Curry Jr Journal of Asian Business **Landscape Planning in Singapore** Edmund Waller,2001 Landscape architecture plays a vital role in creating Singapore s Garden City image This book helps to explain the Republic s successful implementation of environmental policies since independence to achieve its present day image There are ten chapters in the book The first three cover background information the historical setting and the work of the current government The approach is to evaluate different plans against natural social and sensory criteria The next six chapters are case studies selected to show landscape planning policies in more detail The last chapter includes a discussion of comments made about Singapore s landscapes followed by a summary The book is illustrated by a profusion of maps diagrams and plans **Singapore-India Relations** Mun Cheong Yong,V. V. Bhanoji Rao,1995 This primer on Singapore India relations seeks to present a comprehensive framework within which to appreciate the multi dimensional namely the historical social political cultural and economic facets of Singapore s linkages with India It includes topics such as The Indian Economy Past Progress Recent Reforms and Medium term Potentials Singapore India Economic Relations Exploring Synergies for Mutual Benefit Indian Financial System and Development Opportunities Human Resources Complementarities between Singapore and India and Legal Framework for Doing Business in India Singapore in the New Millennium Derek da Cunha,2002 Grew out of a one day conference organized by the Institute of Southeast Asian Studies in August 1999 Eight papers were presented at that conference of which seven were selected revised in 2001 and now appear as chapters in this book together with three more and also reflecting on the significance of the 2001 general election Pref Governing Global-City Singapore Kenneth Paul Tan,2016-12-19 This book provides a detailed analysis of how governance in Singapore has evolved since independence to become what it is today and what its prospects might be in a post Lee Kuan Yew future Firstly it discusses the question of political leadership electoral dominance and legislative monopoly in Singapore s one party dominant system and the system s durability Secondly it tracks developments in Singapore s public administration critically analysing the formation and transformation of meritocracy and pragmatism two key components of the state ideology Thirdly it discusses developments within civil society focusing in particular on issues related to patriarchy and feminism hetero normativity and gay activism immigration and migrant worker exploitation and the contest over history and national narratives in academia the media and the arts Fourthly it discusses the PAP government s efforts to connect with the public including its national public

engagement exercises that can be interpreted as a subtler approach to social and political control In increasingly complex conditions the state struggles to maintain its hegemony while securing a pre eminent position in the global economic order Tan demonstrates how trends in these four areas converge in ways that signal plausible futures for a post LKY Singapore

Planning Singapore Belinda K. P. Yuen,1998 This book attempts to revisit Singapore s urban experience since her independence three decades ago and unfold the planning and development process behind its successful urban transformation Topics covered by the chapters include visionary planning local planning IT in planning practice planning industrial estate development urban conservation recreation planning and planning urban transportation **Critical**

Reflections on Cities in Southeast Asia Tim Bunnell,Lisa Drummond,Ho,2021-11-15 Critical Reflections draws together the multi disciplinary research of scholars working in on cities across Southeast Asia The fourteen essays collected in the volume are organised into three thematic sections re conceptualisation competition and intervention Collectively these reflections contribute to and interrogate the expanding urban and regional studies literature The volume constitutes a critical corrective to the existing literature which all too often seeks to diagnose contemporary urban trends everywhere from a small number of mostly Western paradigmatic cases Yet while acknowledging the increasing interconnectedness and shared global orientation of most cities in Southeast Asia the volume is wary of positing an equally generalising regional model Individually these essays attend to the diversity of contemporary urban experiences in Southeast Asia **Realism and**

Interdependence in Singapore's Foreign Policy Narayanan Ganesan,2005-10-18 Singapore s existence and success derive in part from its achievements in the domestic political arena and in part from the skilful management of a well defined foreign policy with clearly identifiable goals and issues A visible core of realist self reliance is layered with the demands of a competitive trading state that requires a liberal international trading regime Hence both competitive and cooperative philosophies support Singapore s foreign policy This text charts the philosophical underpinning of Singapore s foreign policy output and the institutions responsible for it and examines the importance of economic and defence diplomacy that are central to Singapore s foreign policy output It gives particular attention to the two most important regional bilateral relationships with Indonesia and Malaysia and how relations with its adjacent neighbours have influenced Singapore s foreign policy Combining first hand research with excellent analysis this volume provides a much needed report on the survival of a small state in the globalizing world **The Struggle over Singapore's Soul** Joseph B. Tamney,2017-10-10 No detailed description available for The Struggle over Singapore s Soul
