Single Life A Christian Challenge:

The Single Life Martha M. Niemann,1986 *This Single Life* Deb Hatcher,2020-10-29 As a single person do you feel there s something wrong with you because you are single Do you feel a sense of shame about being single Are you living your single life miserable defeated and feeling like you ve missed out on the blessings of having a companion to walk with and face life together If you answered yes to these questions this book was written to help you gain insight into God s perspective of your singleness and encourage you to surrender all of your misconceptions about your single life to Him not being bound by false assumptions or misguided ideas but being totally surrendered to Him For years Deb Hatcher experienced the challenges of being a single mother to two small children the heartbreak of wrong choices in an effort to fit in and the tragedy of the death of two husbands From these life circumstances she shares with other singles the lessons that she has learned and relearned in the hopes that they will avoid some of the pitfalls that made a difficult journey even more difficult Deb wants you to know you are not less of a child of God in your singleness You are not less important in the kingdom Your service is not needed any less No matter what others may say or you may think you are not inferior less holy or less valuable You are a child of the Heavenly Father and He cares for you *Never Meant to Be Alone* Justin Hendrix,2024-12-27 We tend to think of singleness as simply the absence of marriage We think its value comes from the freedom that entails Yet singleness is not empty We perceive it as such because we struggle to articulate its real worth Singleness and marriage are complements not opposites Both point toward union with God in Christ They rest on the same promises and they participate in the same reality There are distinct elements of God s character and purposes that are revealed in singleness just as there are in marriage The goal of this book is to see his beauty more clearly from the vantage that singleness offers *Living A Single Christian Life* Beatrice Ivory,2011-12 *Solo Planet* Anna Broadway,2024-03-19 How can the church do better for its millions of singles Journalist Anna Broadway traveled around the world to interview nearly 350 Christians for answers Solo Planet draws on her 17 months of fieldwork to provide a first of its kind account of the single life of Christians from nearly 50 countries Discussing a variety of topics loneliness sexuality aging housing cooking celebrations parenting and many more it gives us the global church story of singleness Because when singles thrive in a church everyone benefits But consider these typical barriers within most churches Singles and marrieds often don t know how to talk to each other Christians continue to act as if nearly all will marry and if you don t then something must be wrong with you Churches teach that marriage and family is God s greatest gift outside of salvation a perspective that deserves theological challenge Women in the church outnumber men by a factor of millions and churches do very little to acknowledge this gap Solo Planet calls Christians to a more faithful vision of singleness through the wisdom and stories of the global church young and old abled and disabled and Catholic Protestant and Orthodox Through its deeply researched account Solo Planet shows how a more biblical approach to singleness can strengthen churches and empower singles to thrive *Singles at the Crossroads* Albert Y. Hsu,1997-10-27
