M.P. in the House of Commons, on Tuesday, Feb. 14, 1837 William Alexander Mackinnon,1838 *Love in Contemporary Technoculture* Ania Malinowska,2022-03-31 This Element outlines the environments of loving in contemporary technoculture and explains the changes in the manner of feelings including the experience of senses spaces and temporalities in technologically mediated relationships Synchronic and retrospective in its approach this Element defines affection romance companionship intimacy etc in the reality marked by the material and affective intangibility that has emerged from the rise of digitalism and technological advancement Analysing the re

constructions of intimacy it describes our sensual and somatic experiences in conditions where the human body believed to be extending itself by means of the media and technological devices is in fact the extension of the media and their technologies It is a study that outlines shifts and continuums in the practices of togetherness and which critically rereads late modern paradigms of emotional and affective experiences filling a gap in the existing critical approaches to technological and technologized love *Hendricks' Commercial Register of the United States for Buyers and Sellers* ,1914 *Prefatory letter*

Construction ,1918 *Chemical Engineering Catalog* ,1916 *American Sugar Industry* ,1912 **On Wings of Death**
David J. Oldman,2013-06-26 A military aviator investigates a suspicious death in a novel of mystery action and intrigue set against the backdrop of the First World War They found the officer hanging in his hut another man who couldn t take the relentless pressure of flying operations it seemed His fellow officers hadn t liked him much anyway Besides what was one more death among the thousands dying on the Western Front Except that this man s family had connections to Field Marshal

Kitchener and no one wanted him distracted on the eve of the big push on the Somme So Investigator Miller is sent to the squadron to tie up the loose ends to tidy the incident away For some reason they think he is well equipped for that sort of thing But it s all Miller can do to keep himself alive flying daily over enemy lines And then he finds the suicide isn t quite as straightforward as it s supposed to be Particularly when a second man turns up dead purportedly shot with his own pistol Set against the backdrop of the Great War and infused with a sense of intrigue and high drama this is a novel of unsettling force With a keen eye for detail David J Oldman evokes the brutality of mud spattered battlefields and aerial combat bringing the reader right up close to the action As events spiral and the war continues to impact upon the investigation On Wings of Death creates a real sense of unease and urgency as it barrels toward an unexpected fascinating conclusion Hendricks'
