The Physical in Spiritualism George Whitefield Samson, 1881 **Roman Life and Manners Under the Early Empire** Ludwig Friedlaender, 1913 *Inconsistencies in Greek and Roman Religion, Volume 2: Transition and Reversal in Myth and Ritual* Henk Versnel, 2015-09-01 This is the second of a two volume collection of studies on inconsistencies in Greek and Roman religion. Their common aim is to argue for the historical relevance of various types of ambiguity and dissonance. While the first volume focused on the central paradoxes in ancient henotheism, the present one discusses the ambiguities in myth and ritual of transition and reversal. After an introduction to the history of the myth and ritual debate with a focus on New Year festivals and initiation in the first chapter, the second and third chapters discuss myth and ritual of reversal: Kronos and the Kronia and Saturnus and the Saturnalia respectively. The fourth treats two women's festivals: that of Bona Dea and the Thesmophoria. The fifth investigates the initiatory aspects of Apollo and Mars. In the background is the basic conviction that the three approaches to religion known as substantivistic, functionalist and cultural symbolic respectively need not be mutually exclusive. **A Dictionary of Greek and Roman Biography and Mythology: Oarses-Zygia** William Smith, 1876
Literature and Science, 1660-1834, Part II vol 6 Judith Hawley, 2024-10-28 This volume reproduces primary texts which embody the polymathic nature of the literature of science and provides editorial overviews and extensive references to provide a resource for specialized academics and researchers with a broad cultural interest in the long 18th century.

The Marshals of Alexander's Empire is a blend of biography and prosopography that sheds light on some of the most dynamic individuals of the age of Alexander. **Primitive Culture: The science of culture** Edward Burnett Tylor, 1874 **A Classical Dictionary: containing an account of the principal proper names mentioned in ancient authors ...
