Mitchell,Dorling Kindersley Publishing Staff,1996-04 The Dubious Salvation of Jack V. Jacques Strauss,2011-08-30 Jack Viljee s hometown of Johannesburg is still divided by apartheid though the old order is starting to crumble According to eleven year old Jack the world is a rational and simple place But if life doesn t conform to Jack s expectations there is always the sympathy and approval of the family s maid to console him Not that Susie is a pushover She believes violence of the nondisfiguring variety is a healthy form of affection hence her not infrequent expression Jack I love you so much I will hit you Jack himself is not above socking his best friend in the eye or scamming his little sister into picking up the dog mess The Viljee household in its small way mirrors the politics of the country This noisy domesticity is upset by the arrival of Susie s fifteen year old son Percy is bored idle and full of rage When Percy catches Jack in an indelibly shameful moment Jack learns that the smallest act of revenge has consequences beyond his imagining The world it turns out is not so simple Subversively smart and unapologetically funny clever and a little dangerous The Dubious Salvation of Jack V explores the cost of forgiveness It is a powerful debut from a fearlessly original voice **Me & Jack** Danette Haworth,2011-06-21 Joshua Reed is used to moving around since his dad became an Army recruiter and the Vietnam War broke out But their newest home in the mountains of Pennsylvania feels special somehow Josh has started to make a new friend his dad has finally allowed him to get a dog and Jack with his strange glowing ears and the way he seems to understand Josh s feelings is like no other dog Josh has ever seen But in Vietnam era America conflict is never far away even on the homefront When a local boy is killed overseas the town turns on the new army recruiter And when a few late night disturbances all point to Jack it will be up to Josh to fight for his dog his family and his new home **Rondy Voo** Peggy Johnson,2004-05 Rendezvous or living history is a recreation of days gone by and is a way of life for many across the United States Some even make their living selling prized re creations of antiques But this would be a Rondy voo no one would forget When a bad storm causes the whole camp to vanish only the people on Trader s Row remain Gun fire and robbers plague the row Why was this happening Could Doc get them all through this in one piece or would they too become a part of history
