Mad Miscellany:

The Mad Miscellany Terry Deary, Martin Brown, 2004 History with the nasty bits left in The Mad Miscellany serves up all the dreadful details of horrible history you'll ever need to know from rotten Roman graffiti to terrible teacher tortures and rude royal nicknames the foul facts are all inside Want to know the crushing details about execution by elephant how to soften your skin Georgian style using the skins of puppies who's idea of a top treat was mashed deer tongues Whether you're desperate to discover which famous rulers were left handed raring to read about the top ten dogs of all time or just aching to ask about assassinating apes then this book is for you History has never been so horrible **The Contest** Jeff

Macfee, 2025-02-11 In this crime novel a previous puzzle prodigy returns to the competing world A thoughtful low stakes mystery perfect for fans of The Queen's Gambit Once a child prodigy of puzzles and logic games Gillian Charles now barely ekes out a living in Los Angeles With her sick mother facing eviction from her care facility Gillian can't say no when her childhood nemesis Tommy shows up at her apartment with a 50k offer All she has to do is return to the place where it all started where she swore she'd never set foot again Miscellany Miscellany is a place of wonder and enchantment a Disney World for puzzle lovers and one that quickly owns the lives of those who stay too long Tommy is running the park's latest big game and he's convinced someone is leaking the answers With investment and expansion in the cards Miscellany can't afford a scandal As a former puzzler who kept her distance from Miscellany for twenty years Gillian should find it easy to investigate while avoiding Miscellany's charms and entanglements But when Gillian arrives she discovers things aren't so straightforward Her turncoat ex friend Martin Ellsberg holds the security reins Tommy's estranged wife Evelina spins PR webs around the park's machinations and the manipulative park founder Sebastian offers her the financial security and intellectual future she always wanted With her mother's circumstances growing more dire and under pressure to sweep the accusations under the rug Gillian finds childhood games all the more treacherous for adults Miscellany is offering Gillian the life she always wanted But at what price The Rise of Louis Napoleon Frederick Arthur Simpson, 1925 The Bookman

K. Chesterton,2011-09-09 G K Chesterton was a master essayist But reading his essays is not just an exercise in studying a literary form at its finest it is an encounter with timeless truths that jump off the page as fresh and powerful as the day they were written The only problem with Chesterton s essays is that there are too many of them Over five thousand For most GKC readers it is not even possible to know where to start or how to begin to approach them So three of the world s leading authorities on Chesterton Dale Ahlquist Joseph Pearce Aidan Mackey have joined together to select the best Chesterton essays a collection that will be appreciated by both the newcomer and the seasoned student of this great 20th century man of letters The variety of topics are astounding barbarians architects mystics ghosts fireworks rain juries gargoyles and much more Plus a look at Shakespeare Dickens Jane Austen George MacDonald T S Eliot and the Bible All in that inimitable formidable but always quotable style of GKC Even more astounding than the variety is the continuity of Chesterton s thought that ties everything together A veritable feast for the mind and heart While some of the essays in this volume may be familiar many of them are collected here for the first time making their first appearance in over a century **Journal of Psychological Medicine and Mental Pathology** ,1850 **Journal of Psychological Medicine** ,1850 A Companion to British Literature, Volume 4 Robert DeMaria, Jr.,Heesok Chang,Samantha Zacher,2013-12-13 A Companion to British Literature Victorian and Twentieth Century Literature 1837 2000 Killing Time in Crystal City Chris Lynch,2015-01-13 Seventeen year old Kevin tries to reinvent himself when he runs away from home and the father he hates but living with a mysterious uncle and befriending two homeless girls just adds more complications The History of British Women's Writing, 1690 - 1750 R.
