**The Word Made Flesh Made Word** David G. Miller,1995 Edward Taylor s dilemma as Puritan preacher and poet was to discover a way in human language to express the

ineffable Divine This first book length study of Edward Taylor s prose suggests that Taylor s use of language illustrates the very theological truths he struggled with as a minister and a writer Taylor s poetic metaphors have long been noted for their vitality and linguistic absurdity This penetrating study of Taylor s Christographia sermons concludes that Taylor intentionally forces his types and metaphors into failure to illustrate how necessary it is for the incarnate Christ to redeem both the medium and the messenger The author places Taylor in historical theological and stylistic contexts and then looks at how both types and metaphors used by Taylor tend to follow the pattern of establishment failure and redemption By focusing on the typological images of Moses David and the Jewish religious ceremonies for example Taylor shows how such images both point toward Christ and obscure the truth of Christ By using metaphorical images of light plants and living buildings Taylor attempts to paint a portrait of Christ for his congregation all the while insisting that human language can never illustrate the Divine
