## **Mad To Be Saved The Beats The 50s And Film:**

**Mad to be Saved** David Sterritt, 1998 Film critic David Sterritt presents an interdisciplinary exploration of the Beat Generation its intersections with main stream and experimental film and the interactions of all of these with American society and the culture of the 1950s Sterritt balances the Beat countercultural goal of rebellion through both artistic creation and everyday behavior against the mainstream values of conformity and conservatism growing worry over cold war hostilities and the rat race toward material success After an introductory overview of the Beat Generation its history its antecedents and its influences Sterritt shows the importance of visual thinking in the lives and works of major Beat authors most notably Jack Kerouac Allen Ginsberg and William S Burroughs He turns to Mikhail Bakhtin's dialogic theory to portray the Beat writers who were inspired by jazz and other liberating influences as carnivalesque rebels against what they perceived as a rigid and stifling social order Showing the Beats as social critics Sterritt looks at the work of 1950s photographers Robert Frank and William Klein the attack against Beat culture in the pictures and prose of Life magazine and the counterattack in Frank's film Pull My Daisy featuring key Beat personalities He further explores expressions of rebelliousness in film noir the melodramas of director Douglas Sirk and other Hollywood films Finally Sterritt shows the changing attitudes toward the Beat sensibility in Beat related Hollywood movies like A Bucket of Blood and The Beat Generation television programs like Route 66 and The Many Loves of Dobie Gillis nonstudio films like John Cassavetes's improvisational Shadows and Shirley Clarke's experimental The Connection and radically avant garde works by such doggedly independent screen artists as Stan Brakhage Ron Rice Bruce Connor and Ken Jacobs drawing connections between their achievements and the most subversive products of their Beat contemporaries

Historical Dictionary of the Beat Movement Paul Varner, 2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century and the history of the Beat Movement is still being written in the early years of the 21st century Unlike other kinds of literary and artistic movements the Beat Movement is self perpetuating After the 1950s generation headlined by Jack Kerouac Allen Ginsberg and William S Burroughs a new generation arose in the 1960s led by writers such as Diane Wakoski Anne Waldman and poets from the East Side Scene In the 1970s and 1980s writers from the Poetry Project at St Mark's Church and contributors to World magazine continued the movement The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement It is now a postmodern movement and probably would be unrecognizable to the earliest Beats It may even be in the process of finally shedding the name Beat But the Movement continues The Historical

Dictionary of the Beat Movement covers the movement's history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 700 cross referenced entries on significant people themes critical issues and the most significant novels poems and volumes of poetry and prose that have formed the Beat canon This book is an excellent access point for students researchers and anyone wanting to know more about the Beat Movement *Fires Were Started* Lester D. Friedman,2006 *Fires Were Started* is a provocative analysis of the responses of British film to the policies and political ideology of the Conservative governments of Margaret Thatcher and it represents an original and stimulating contribution to our knowledge of British cinema This second edition includes revised and updated contributions from some of the leading scholars of British cinema including Thomas Elsaesser Peter Wollen and Manthia Diawara The book discuss prominent filmmakers such as Peter Greenaway Derek Jarman Ken Russell Nicolas Roeg and Stephen Frears it also explores some lesser known but equally important territory such as the work of Black British filmmakers the Leeds Animation Workshop and Channel 4's Film on Four Films discussed include *Distant Voices Still Lives* *My Beautiful Launderette* *Chariots of Fire* and *Drowning by Numbers* *Men to Boys* Gary Cross,2008-09-23 Adam Sandler movies HBO's *Entourage* and such magazines as *Maxim* and *FHM* all trade in and appeal to one character the modern boy man Addicted to video games comic books extreme sports and dressing down the boy man would rather devote an afternoon to Grand Theft Auto than plan his next career move He would rather prolong the hedonistic pleasures of youth than embrace the self sacrificing demands of adulthood When did maturity become the ultimate taboo Men have gone from idolizing Cary Grant to aping Hugh Grant shunning marriage and responsibility well into their twenties and thirties Gary Cross renowned cultural historian identifies the boy man and his habits examining the attitudes and practices of three generations to make sense of this gradual but profound shift in American masculinity Cross matches the rise of the American boy man to trends in twentieth century advertising popular culture and consumerism and he locates the roots of our present crisis in the vague call for a new model of leadership that ultimately failed to offer a better concept of maturity Cross does not blame the young or glorify the past He finds that men of the Greatest Generation might have embraced their role as providers but were confused by the contradictions and expectations of modern fatherhood Their uncertainty gave birth to the Beats and men who indulged in childhood hobbies and boyish sports Rather than fashion a new manhood baby boomers held onto their youth and when that was gone embraced *Viagra* Without mature role models to emulate or rebel against Generation X turned to cynicism and sensual intensity and the media fed on this longing transforming a life stage into a highly desirable lifestyle Arguing that contemporary American culture undermines both conservative ideals of male maturity and the liberal values of community and responsibility Cross concludes with a proposal for a modern marriage of personal desire and ethical adulthood **Beat Drama** Deborah Geis,2016-07-28 Readers and acolytes of the vital early 1950s mid 1960s writers known as the Beat Generation tend to be familiar with the prose and poetry by the seminal authors of this period Jack Kerouac Gregory Corso
