ethnomusicological study of Malagasy music *Recollecting from the Past* evokes the complex sound and performative aesthetic in Madagascar called maresaka. Maresaka pertains not only to musical expression but extends into ways of remembering the past aesthetics of everyday life and Malagasy concepts of self and community. Ron Emoff focuses on tromba spirit possession ceremonies in which Malagasy use devotional practice as an occasion to expressively refigure worlds often impeded by colonialism and postcolonial phenomena: extreme material poverty and widespread illness. Malagasy not only preserve the past but they interpret, revalue, and transform it to their own ends. Music is crucial to these performances since powerful ancestral spirits will not enter into the present if not enticed by masterful musical performances, and so music itself provides a complex symbolic system with which Malagasy can recall and reconstruct the past. This groundbreaking study will be of interest to readers in the fields of anthropology, ethnomusicology, cultural studies, African studies, postcolonial, and performance studies.

Rigorism of Truth Hans Blumenberg, 2018-02-15. In *Moses the Egyptian*, the centerpiece of *Rigorism of Truth*, the German philosopher Hans Blumenberg addresses two defining figures in the intellectual history of the twentieth century: Sigmund Freud and Hannah Arendt. Unpublished during his lifetime, this essay analyzes Freud's *Moses and Monotheism* (1939) and Arendt's *Eichmann in Jerusalem* (1963) and discovers in both a principled rigidity that turns into recklessness because it is blind to the politics of the unknown. Offering striking insights into the importance of myth in politics and the extent to which truth can be tolerated in adversity, the essay also provides one of the few instances where Blumenberg reveals his thinking about Judaism and Zionism. *Rigorism of Truth* also includes commentaries by Ahlrich Meyer that give a fuller understanding of the philosopher's engagement with Freud, Arendt, and the Eichmann trial, as well as situating these reflections in the broader context of Blumenberg's life and thought.
