relationship work When they first got married they felt alone like every other couple had perfect chemistry while the two of them struggled There were conversations that they didn't know they needed to have fears that affected how they related to each other and seasons of change that put their marriage to the test Part of their story reads like a Christian fairytale high school sweethearts married in college never sowed any wild oats with two sons and a thriving marriage But there's another side of their story the night Melissa kicked Kevin out of her car after years of communication problems the time early in their marriage when Kevin bordered on an emotional affair the way they've used social media and podcasts to conduct a no holds barred conversation about forbidden topics like jealousy divorce and how to be Christian and sex positive Because as Kevin writes Your hormones don't care about your religious beliefs Your hormones want you to subscribe to OnlyFans In *Marriage Be Hard* the authors provide a hilarious and fresh master class on what it takes to build and maintain a lasting relationship Drawing on interviews with experts and nearly two decades of marriage they argue that Compatibility is overrated Communication is about way more than simply talking Seeing divorce as an option can actually help your marriage There's such a thing as healthy jealousy Real marriage is not automatic It ain't no Tesla on the open road Sometimes it's a stick shift on a hill in the rain with no windshield wipers But if you get comfortable visiting and revisiting the topics that matter it can transform your bond with your partner and the life you're building together Written for those tired of unrealistic relationship books and for anyone wondering if they're the only ones breaking all the rules *Marriage Be Hard* is a breath of fresh air and the manual you wish existed after you said I do *Thank You, Madagascar* Alison Jolly, 2015-03-12 An enchanting book poignant and passionate Geographical A captivating and absorbing account Sir David Attenborough Madagascar is one of the world's natural jewels with over ninety per cent of its wildlife found nowhere else on Earth Few people knew it better than the pioneering primatologist and conservationist Alison Jolly *Thank You Madagascar* is her eyewitness account of the extraordinary biodiversity of the island and the environment of its people At the book's heart is a conflict between three different views of nature Is the extraordinary forest treasure house of Madagascar a heritage for the entire world Is it a legacy of the forest dwellers' ancestors bequeathed to serve the needs of their living descendants Or is it an economic resource to be pillaged for short term gain and to be preserved only to deliver benefits for those with political power Exploring and questioning these different views this is a beautifully written diary and a tribute to Madagascar **Blood Hunt** Lucienne Diver, 2018-02-21 Gargoyle winged PI Tori Karacis is back in LA and her newest case doesn't involve gods or an impending apocalypse just garden variety murder Tori has a new client with big time family problems Jessica Roland's suspicions began when her brothers returned from Egypt eerily different The terror kicked in with the ritualistic murder of her parents Her real brothers would never have done such a thing yet their guilt seems indisputable Is it the Curse of the Pharaohs Some kind of brain eating bacteria At the scene of a second attack there's evidence it's the work of Set the god of chaos who should have been locked away long ago And hello there's a new arrival Neith a warrior goddess who's got the hots

Cassie Randall has a secret that haunts her every day. A secret that makes trusting a man an impossibility. She wants nothing more than to live a quiet, simple life as a teacher. Even though he's portrayed as a stereotypical professional athlete, Cassie's man, all-Jamal Jenkins, the starting point guard for the Thunder, wants to live his life out of the limelight with the people he loves most. Can Jamal help Cassie believe that he can be trusted, or will she continue to believe that all men are like the one she fears most? **To My Muse** Nicola M. Cameron, 2018-05-15

I'm in a fake relationship with my celebrity crush. How did I wind up in a real-life romance trope? When too much tequila and an enabling BFF put my newest and oh-so-spicy romance novel into the hands of its inspiration, sexy British actor Tom Morrison, I'm horrified because hello, complete stranger! I thought of you while writing these smexy scenes, now excuse me while I spontaneously combust from embarrassment. I need to get the book back before Tom takes out a restraining order on me, or worse, reads the book out loud on social media. Except that's not what happens. Thanks to a strategic lie and an Oscar-winning knight, I'm now pretending to be Tom's girlfriend while we get his dream project made. Somehow, my screwball plan landed me in the middle of my very own Cinderella story, Hollywood style. Even better, I have a shot at a real-life HEA with a gorgeous, hilarious man who thinks I'm amazing, so why do I get the feeling that disaster is about to strike? Live Sadie Robertson Huff, 2020-02-25

There's a big difference between being alive and knowing how to truly live. *Live* from New York Times bestselling author Sadie Robertson addresses life's most difficult issues and choices in fun, practical, and biblical ways, leading you to engage with God's truth in a world that is growing more overwhelming and confusing. To be alive is something that happens to you, but to truly live is something you choose to do each day. As Sadie says, "When you truly learn to live, the life God offers your whole existence becomes a verb." In *Live*, Sadie inspires teens and young adults to thrive by making choices that will lead them into the fullness God has for them, not into the emptiness the world offers. Find confidence, deal with haters, live in the moment, and discover the power of words. Identify the difference between what leads to life and what leads to death, wholeheartedly embrace God's ways, and God's truth. *Live* is the perfect gift for young Christian women on birthdays, for graduation, or as a just-because-for-self-care and self-discovery.
