MADAME BUTTERFLY

# Madame Butterfly Cl

**Arthur Groos**

## **Madame Butterfly Cl:**

Madama Butterfly/Madamu Batafurai Arthur Groos, 2023-02-16 Puccini's famous but controversial Madama Butterfly reflects a practice of temporary marriage between Western men and Japanese women in nineteenth century treaty ports. Groos's book identifies the plot's origin in an eye witness account and traces its transmission via John Luther Long's short story and David Belasco's play. Archival sources many unpublished reveal how Puccini and his librettists imbued the opera with differing constructions of the action and its heroine. Groos's analysis suggests how they constructed a contemporary music drama with multiple possibilities for interpreting the misalliance between a callous American naval officer and an impoverished fifteen year old geisha providing a more complex understanding of the heroine's presumed marriage. As an orientaling tragedy with a racially inflected representation of Cio Cio San the opera became a lightning rod for identity politics in Japan while also stimulating decolonizing transpositions into indigenous theatre traditions such as Bunraku puppet theatre and Takarazuka musicals.

**Catalogs** Harold Reeves (Firm), 1919 *Conductors and Composers of Popular Orchestral Music* Naomi Musiker, Reuben Musiker, 2014-02-25 World wide in scope and focusing on the second half of the 20th century this work provides biographies and discographies of some 500 composers and conductors of light and popular orchestral music including film show theatre and mood music. The book is arranged in two sequences 1 Biographies and select discographies both arranged alphabetically of the well known and better known conductors and composers. These entries also include a list of suggested reading for those wishing to further their studies and 2 Select discographies of conductors about whom little or no biographical information is available. The bibliography at the end of the book covers discographical sources popular music and film music. This is the first time that the lives and recordings of such artists as Kostelanetz Faith and Gould as well as the orchestral recordings of such great popular composers as Gershwin Kern Porter Rodgers Berlin and Coward have been documented and presented in an encyclopedic form.

**Opera Production** Quaintance Eaton, 1961-01-01 Opera Production was first published in 1961. Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. Designed particularly as a reference work for opera producers students performers and writers this book provides basic production information about more than 500 operas. Anyone planning to produce an opera will find here the essential information he needs in order to judge whether a given opera is appropriate to his resources for production. Information for individual operas is given concerning the number and importance of settings size of orchestra chorus and ballet number of singers their relative importance and individual requirements sources for obtaining musical materials previous performances in America and the opera story its period and composer. Extensive information about 150 full length operas and 109 short operas is provided with supplementary information about more than 260 other

operas The operas are alphabetized by title for easy reference In order to condense the information as much as possible codes and abbreviations are used with keys and indexes at the back of the book This book will be invaluable to those working in either amateur or professional companies in opera workshops in school college or civic opera groups Those whose interest in opera is confined to the other side of the footlights will find the book absorbing too just as a glimpse backstage would be

Opera recordings have been with us since the creation of the first wax cylinders Now at a time when the 25 year reign of the compact disc appears to be coming to an end is the moment to take stock of the history of recordings of arguably the most popular composer of operas Giacomo Puccini In Giacomo Puccini A Discography librarian and music historian Roger Flury

looks at each opera chronologically from *Le Villi* to *Turandot* followed by sections on Puccini's instrumental chamber orchestral and solo vocal works. Details of each complete opera are listed by recording date followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed alphabetically by the name of the artist. For ease of use, Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase. This book does not limit itself to mainstream recordings but includes as well unofficial recordings taken from broadcasts or illegally recorded in theaters ensuring that the audio recording history of Puccini is free of gaps. Video and DVD issues, whether of staged performances or excerpts in concert, are not included unless they have been issued in a sound only format. This volume brings together information on nearly 10 000 recordings of Puccini's music. It provides a comprehensive overview of the recorded history of the composer's works and serves as a useful guide for the transfer of recordings from one format to another.

*Billboard*, 1963-06-01. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
