Polish Theatre Revisited Agata Luksza, 2024-01-19 2024 PIASA Waclaw Lednicki Humanities Award Polish Institute of Arts and Sciences in America winner ASTR Barnard Hewitt Award Finalist Polish Theatre Revisited explores nineteenth century Polish theatre through the lens of theatre audiences Agata Luksza places special emphasis on the most engaged spectators known as theatremaniacs from what they wore to what they bought to what they ate Her source material is elusive ephemera from fans' lives such as notes scribbled on a weekly list of shows in the Warsaw theatres collections of theatre postcards and recipes for sweets named after famous actors The fannish behavior of theatremaniacs was usually deemed excessive or in poor taste by people in positions of power as it clashed with the ongoing embourgeoisement of the theatre and the disciplining of audiences Nevertheless the theatre was one of the key areas where early fan cultures emerged and theatremaniacs indulged in diverse fan practices in opposition to the forces reforming the theatre and its spectatorship

"New Chronicles of Yanagibashi" and *"Diary of a Journey to the West"* Ryuhoku Narushima, 2010-09-30 This book features complete annotated translations of Narushima Ryuhoku's two most widely read and influential texts both of which showcase the innovative and experimental use of Chinese language discourse taking place in Japan during the nineteenth century Focused on one of the capital city's celebrated geisha districts the satirical *New Chronicles of Yanagibashi* serves as both a documentary record of changing customs during the tumultuous 1850s-70s and an amusingly nuanced social critique Banned multiple times the work nevertheless became a favorite of the Meiji reading public This text is paired with *Diary of a Journey to the West* Ryuhoku's travelogue from his world tour of 1872-1873

The Use of Asian Theatre for Modern Western Theatre Min Tian,2018-11-27 This book is a historical study of the use of Asian theatre for modern Western theatre as practiced by its founding fathers including Aur lien Lugn Poe Adolphe Appia Gordon Craig W B Yeats Jacques Copeau Charles Dullin Antonin Artaud V E Meyerhold Sergei Eisenstein and Bertolt Brecht It investigates the theories and practices of these leading figures in their transnational and cross cultural relationship with Asian theatrical traditions and their interpretations and appropriations of the Asian traditions in their reactional struggles against the dominance of commercialism and naturalism From the historical and aesthetic perspectives of traditional Asian theatres it approaches this intercultural phenomenon as a Euro centred process of displacement of the aesthetically and culturally differentiated Asian theatrical traditions and of their historical differences and identities Looking into the displaced and distorted mirror of Asian theatre the founding fathers of modern Western theatre saw in their imagination of the ghostly Other nothing but a self reflection or more precisely a self projection and emplacement of their competing ideas and theories preconceived for the construction and the future development of modern Western theatre

Mizoguchi and Japan Mark Le Fanu, 2019-07-25 For a majority of filmgoers the names most usually associated with classic Japanese cinema are those of Kurosawa and Ozu Yet during the early 1950s at the same time that Kurosawa was becoming known to the public through the release of classics like *Rashomon* and *The Seven Samurai* another Japanese director Kenji Mizoguchi quietly came out with a trilogy of films *The Life of Oharu* *Ugetsu* *Monogatari* and *Sansho the Bailiff* that are the equal of Kurosawa's in mastery and which by any account rank among the greatest and most enduring masterpieces of world cinema As a storyteller Mizoguchi was drawn to the plight and oppression of women throughout the ages it was for him the subject of subjects So in addition to the movies just mentioned he is remembered for a string of masterly contemporary films that examined with unprecedented candour and ferocity the conditions of life in Japanese brothels and geisha houses Yet as well as being a moralist Mizoguchi was a stylist His films are considered by critics to be among the most beautiful ever made from a purely pictorial point of view Filmgoers who have responded enthusiastically in recent years to Chinese classics like *Farewell My Concubine* or to the colourful works of Zhang Yimou will be delighted to discover pre echoes of this cinema in such late films by this Japanese master as *The Empress Yang Kwei Fei* and *Tales of the Taira Clan* both released in 1955 works in which colour costume and decor are deployed with compelling refinement Despite his extraordinary qualities as a film maker Mizoguchi and Japan is the first full length study in English for over 20 years of a director whose work is as vibrant now as it ever was in its heyday and whom the French film review *Cahiers du Cinema* recently hailed the greatest of all cineastes Mark Le Fanu's preface to the new ebook edition https://media.bloomsbury.com/rep/files/revised_mizoguchi_and_japan_preface.docx A Retrospective to the 2008 edition https://media.bloomsbury.com/rep/files/mizoguchi_and_japan.pdf

Difference Jaap Van Ginneken, 2007-08-29 Did you know that Pocahontas probably never fell in love with John Smith as the Disney and other film versions of those events pretend That Godzilla was originally an anti American and anti nuclear movie heavily cut and supplemented with new material That Zorro was not created by an American author but derived from the much older Mexican struggle for independence That Anna and the King was largely invented That the myth of the sexually eager Hula girls is based on misunderstandings by the first explorers That Black Hawk Down and many other war movies were censored and indirectly subsidized by the Pentagon Screening Difference takes us on a fascinating voyage through major movie blockbusters that deal with the encounter between us based on white Hollywood and them the filmic representations of other races ethnicities and cultures Looking at subtle orientations in casting and make up sets and props lighting and camera movements music and language this lively book follows the best known genres and subgenres from animated cartoons to wilderness films from romantic movies to colonial adventures Screening Difference tracks the stories back to their origins and patiently dissects the hidden messages that have gradually crept into them Constructing Japan

Beate Loeffler, 2025-09-25 The influence of Japanese art and culture on art in late 19th century Europe and America through collections of objects and knowledge transfer is already recognised However the research in this field often neglects architecture This study takes a new approach placing architecture at the centre Through in depth analysis of contemporary textual and visual sources Beate Loeffler shows how western actors from different backgrounds interpreted Japanese architecture as they experienced it either face to face or via texts and images It unveils a complex process of appropriation and rejection of claim to interpretive sovereignty and fascination with the foreign that led to both new knowledge and cultural clichés

The Courtesan's Arts Martha Feldman, Bonnie Gordon, 2006-03-23 Courtesans hetaeras tawaif s ji s these women have exchanged artistic graces elevated conversation and sexual favors with male patrons throughout history and around the world In Ming dynasty China and early modern Italy exchange was made through poetry speech and music in pre colonial India through magic music chemistry and other arts Yet like the art of courtesanry itself those arts have often thrived outside present day canons and modes of transmission and have mostly vanished without trace The Courtesan s Arts delves into this hidden legacy while touching on its equivocal relationship to geisha At once interdisciplinary empirical and theoretical the book is the first to ask how arts have figured in the survival or demise of courtesan cultures by juxtaposing research from different fields Among cases studied by writers on classics ethnomusicology anthropology and various histories of art music literature and political culture are Ming dynasty China twentieth century Korea Edo and modern Japan ancient Greece early modern Italy and India past and present Refusing a universal model the authors nevertheless share a perception that courtesans hover in the crevices of space time and practice between gifts and money courts and cities subtlety and flamboyance feminine allure and masculine power as wifely surrogates but keepers of culture What most binds them to their arts in our post industrialized world of global services and commodities they find is courtesans fragility as their cultures once vital to civilizations founded in leisure and pleasure are now largely forgotten transforming courtesans into national icons or historical curiosities or reducing them to prostitution
