Madame Prune:

Madame Prune Pierre Loti, 1905 *Madame Prune* Pierre Loti, 1910 **Madame Prune, etc** Pierre Loti, 1929 Japan and Japonisme in Late Nineteenth Century Literature Naomi Charlotte Fukuzawa, 2024-10-07 This book examines the transnational phenomenon of Japonisme in the exoticist and autoexoticist literature of the late nineteenth century Focusing on the way in which reciprocal processes of transcultural acquisition by Japan and from Japan were portrayed in the medium of literature the book illustrates how literary Japonisme and the wider processes whereby Japan with its alien exotic culture and unique refined aestheticism was absorbing Western civilization in its own way in the late nineteenth century at the same time as the phenomenon of Japonisme was occurring in Western fine arts which were inspired by traditional Japanese artistic practices Specifically the book focuses on the literary works of Lafcadio Hearn and Pierre Loti who travelled from France and America respectively to Japan and Mori gai and Natsume S seki who in turn went respectively to Germany and England from Japan Exploring the eclectic hybridity of Japan s modernization during the late nineteenth century this book will appeal to students and scholars of Japanese Studies Postcolonial Studies and Comparative Literature *Butterfly's Sisters* Yoko Kawaguchi, 2010-11-30 In this fascinating and wide ranging book Yoko Kawaguchi explores the Western portrayal of Japanese women and geishas in particular from the mid nineteenth century to the present day She argues that in the West Japanese women have come to embody certain ideas about feminine sexuality and she analyzes how these ideas have been expressed in diverse art forms ranging from fiction and opera to the visual arts and music videos Among the many works Kawaguchi discusses are the art criticism of Baudelaire and Huysmans the opera Madama Butterfly the sculptures of Rodin the Broadway play Teahouse of the August Moon and the international best seller Memoirs of a Geisha Butterfly s Sisters also examines the impact on early twentieth century theatre drama and dance theory of the performance styles of the actresses Madame Hanako and Sadayakko both formerly geishas *Madame Prune (Classic Reprint)* Pierre Loti, 2015-07-19 Excerpt from *Madame Prune* To my good companions of the Redoubtable in memory of their true comradeship during our twenty two months voyage I dedicate this hook in which I have aimed at recording only some few of the things which amused us without laying stress upon our fatigues and our labours Throughout it is but surface skimming written from day to day nearly three years ago before the Japanese had yet begun to sprinkle with their blood the plains of Manchuria To day despite the brutality of their initial attack their courage beyond question deserves one s homage and I wish to salute here deeply and seriously the heroic little yellow soldiers fallen before Port Arthur or on the way to Moukden But it does not appear to me that the respect due to so many dead obliges me to alter the picture which remains with me of their country About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

The Madonna of the Sleeping Cars Maurice Dekobra,1927 **Romance Of A Great Writer** Edward B. D'Auvergne,2019-01-04 First published in 2002 In this title Edward B D Auvergne chronicles the life of Pierre Loti written with fervent sympathy We journey with Loti from Brittany to Constantinople from China to Morocco from Egypt to Isfahan breathing all the way the atmosphere and recognising the sources of the stories Readers will find the biography of Pierre Loti as fascinating as the tales for which he is deservedly renowned By writing of his life D Auvergne argues that those with an interest in literature may understand Loti better and in turn better understand his writing **The works of A.M. Binstead** Arthur Morris Binstead,1927 In Love with a Handsome Sailor Richard M. Berrong,2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti French author Julien Viaud 1850 1923 produced a series of fictions that sympathetically portrayed male same sex desire and its accompanying societal conflicts Due to the constraints of the time Viaud had to develop various strategies for discussing his subject covertly his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime which included his election to the French Academy at age forty one Richard Berrong presents a gay reading of the novels and novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud s development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud s corpus this work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history culture and literature **Dictionary of Anonymous and Pseudonymous English Literature: M-P** Samuel Halkett,John Laing,1928 **Dictionary of Anonymous and Pseudonymous English Literature** Samuel Halkett,1971 Dicitionary of Anonymous and Pseudonymous English Literature , The United States Catalog ,1921 *The United States Catalog Supplement, January 1918-June 1921* Eleanor E. Hawkins,1921 *The United States Catalog; Books in Print January 1, 1912* H.W. Wilson Company,1921 **The French and the Pacific World, 17th-19th Centuries** Annick Foucrier,2020-11-30 In *The French in the Pacific World* Annick Foucrier has brought together an important set of studies on the French presence in the Pacific up to the start of the 20th century The volume opens with a section on the context of the French expansion including its rivalries with other European powers Following studies treat patterns of trade and exchange and settlement and migration then look at the French image of and reaction to the worlds round the Pacific and the people of the islands covering the period from the voyages of exploration to the era of colonization *Quarternary Bulletin of the Port Elizabeth Public Library* Port Elizabeth (South Africa). Public Library,1923 **Pierre Loti and the Theatricality of Desire** Peter James Turberfield,2008 Pierre Loti and the

Theatricality of Desire offers an original analysis of patterns of unconscious desire observable in the life and work of the French orientalist writer Pierre Loti. It aims to reconcile attitudes and conduct that have been regarded as contradictory and not amenable to analysis by locating the unconscious urges that motivate them. It looks at the ambiguous feelings Loti expresses towards his mother, the conflicting desires inherent in his bisexuality and his deeply ambiguous sense of a cultural identity as expressed through his cross cultural transvestism. The political implications of this reappraisal are also considered, offering a potential reassessment of the apparently exploitative nature of much of Loti's writing. This new reading in terms of the unconscious not only serves as a way of understanding inconsistencies but also suggests how such new interpretations can offer an alternative way of viewing the hierarchies of power his work portrays on both a sexual and political level. This volume is consequently of interest to those interested in gender studies and sexual politics and offers a way of appreciating writing that might otherwise appear dated and embarrassingly sexist and colonialist in content to twenty-first century readers.
