Children's Songs for Solo Ukulele Joe Carr, 2015-12-18. This book and accompanying online audio present 38 classic children's songs arranged for solo ukulele. Included are nursery rhymes, lullabies, and rounds. Because sing-alongs are an important part of children's playtime, words are included. These arrangements sound wonderful played by musicians of all levels. In the solo style, the lead melody is voiced on the higher strings while chords are voiced on the lower strings. The result is a pleasant, full-sounding arrangement that makes the ukulele sound surprisingly big and complete.

Jesus Made in America Stephen J. Nichols, 2009-09-20. Jesus is as American as baseball and apple pie. But how this came to be is a complex story, one that Stephen Nichols tells with care and ease. Beginning with the Puritans, he leads readers through the various cultural epochs of American history, showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the times, often with unfortunate results. Always fascinating and often humorous, *Jesus Made in America* offers a frank assessment of the story of Christianity in America, including the present. For those interested in the cultural implications of that story, this book is a must-read.

Classic American Popular Song David Jenness, Donald Velsey, 2014-02-04. *Classic American Popular Song: The Second Half Century, 1950-2000* addresses the question: What happened to American popular song after 1950? There are numerous books available on the so-called Golden Age of popular song, but none that follow the development of popular song styles in the second half of the 20th century. While 1950 is seen as the end of an era, the tap of popular song creation hardly ran dry after that date. Many of the classic songwriters continued to work through the following decades: Porter was active until 1958, Rodgers until the later 1970s, Arlen until 1976. Some of the

greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age s last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book will make fascinating reading **Continuum**
