*Mae West* Simon Louvish,2007-11-27 Sex goddess Hollywood star transgressive playwright author blues singer and vaudeville brat Mae West remains the twentieth century s greatest comedienne She made an everlasting mark in trailblazing Broadway plays such as *Sex and The Constant Sinner* and in films such as *She Done Him Wrong* *Klondike Annie* and *I m No Angel* Simon Louvish biographer of W C Fields the Marx Brothers Laurel and Hardy and Keystone s Mack Sennett brings Mae to vibrant life in this unparalleled new biography He charts her amazing seven decades in show business from early years in teenage summer stock to her last reincarnation as 1960s gay icon and grande dame of Hollywood survivors Mae West *It Ain t No Sin* is the first biography to make use of Mae s recently uncovered personal papers offering an unprecedented view into the endless creative drive and daring wit of this legendary star      **Mae West** Jill Watts,2003-04-17 Why don t you come up and see me sometime Mae West invited and promptly captured the imagination of generations Even today years after her death the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor But who was this saucy starlet a woman who was controversial enough to be jailed pursued by film censors and banned from the airwaves for the revolutionary content of her work and yet would ascend to the status of film legend Sifting through previously untapped sources author Jill Watts unravels the enigmatic life of Mae West tracing her early years spent in the Brooklyn subculture of boxers and underworld figures and follows her journey through burlesque vaudeville Broadway and finally Hollywood where she quickly became one of the big screen s most popular and colorful stars Exploring West s penchant for contradiction and her carefully perpetuated paradoxes Watts convincingly argues that Mae West borrowed heavily from African American culture music dance and humor creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race class and gender Viewing West as a trickster Watts demonstrates that by appropriating for her character the black tradition of double speak and signifying West also may have hinted at her own African American ancestry and the phenomenon of a black woman passing for white This absolutely fascinating study is the first comprehensive interpretive account of Mae West s life and work It reveals a beloved icon as a radically subversive artist consciously creating her own complex image      *The Legendary Mae West* Tabatha Yeatts,2000-02-01      When I'm Bad, I'm Better Marybeth Hamilton,1997-12-08 In a world of trendsetting film icons few are more familiar than Mae West Yet for all her public controversy West is also a mystery Marybeth Hamilton combines elements of biography cultural analysis and social history to unmask West and reveal her commercial savvy willpower and truly shocking theatrical transgressions

*Messages from the Afterlife* Mark Ireland,2013-12-10 A father watches his teenage son step out the door on a hiking trip not knowing that this is the last time he would see him A journal of grief despair and ultimately hope this book tells the story of every parent s nightmare the sudden death of a child and a father s search for meaning in a seemingly random world of

psychics and skeptics Expanding on territory covered in his 2008 memoir of his son's death *Soul Shift Messages from the Afterlife* is both an account of Ireland's journey from indifference to belief and an overview of the resources available to the bereaved to help them receive messages from the afterlife Mark Ireland son of celebrated psychic to the stars Dr Richard Ireland was a successful marketing executive in Arizona with little interest in his father's colorful history While his father held readings for Mae West and traveled the U S demonstrating his parapsychological powers Mark Ireland took a more conventional route through life But when his own teenage son Brandon suddenly dies while hiking in the mountains with friends Ireland is forced to confront his resistance to all things spiritual and begins to explore the possibility that communication with the dead is real In his search for conclusive evidence of life after death he plunges into his father's world and meets an array of respected psychic mediums who deliver unexpected messages not only from his son in the afterlife but also from many other souls seeking to communicate with the living Fighting to retain a sense of critical thinking Ireland also contacts scientists conducting research into the survival of consciousness after death The book features detailed accounts of tests and experiments that various people have conducted to obtain proof of consciousness survival including Ireland's own involving a secret message left behind by his sister Robin who died of pancreatic cancer The contents of this message were unknown to any living person and remained sealed in an envelope untouched until responses had been received from a group of qualified mediums who sought to crack the code *Messages from the Afterlife* shows how spirit communication can be both undeniably accurate and frustratingly ambiguous and above all demonstrates the value of having an open receptive mind while maintaining faith in the indestructibility of the human spirit *The Persistence of the Soul* Mark Ireland, 2023-10-10

Compelling evidence for afterlife messages backed by scientific research Presents detailed accounts of experiments conducted to obtain evidence for the survival of consciousness after death including the author's own test involving a secret message left behind by his late sister Shares interviews with mediums to understand how they receive information from the spirit world and explains how to recognize fraudulent mediums Explores the healing impact that afterlife communications can have on people who are grieving After the unexpected passing of his youngest son Mark Ireland began a search for messages from the afterlife and discovered remarkable proof of life after death Interweaving profound personal experience and compelling scientific evidence Ireland presents a deep dive into psychic medium phenomena spirit visitations afterlife communication reincarnation synchronicity and near death experiences pointing to the survival of consciousness after bodily death He details how he confronted his resistance to engaging in the spiritual and parapsychological practices of his deceased father prominent 20th century psychic Dr Richard Ireland who counseled celebrities such as Mae West and the Eisenhower family On his journey he meets with respected mediums who deliver unexpected messages from his son father and others who have passed and explores the healing impact that such messages can have on people who are grieving He shares his interviews with mediums to understand how they see hear and feel the information they receive from the spirits of

the deceased and he explains how to recognize fraudulent mediums Ireland presents detailed accounts of scientific experiments conducted to obtain evidence for the continuity of consciousness including the author's own test involving a secret message left behind by his deceased sister Robin The contents of this message were unknown to any living person and remained sealed in an envelope until the author received messages from a group of mediums He exposes deceptive arguments made by skeptics and examines mediumship through the lens of multiple religious traditions including some factions who seek to demonize the practice Showing how spirit communication can be undeniably accurate and frustratingly ambiguous Ireland reveals the profound healing and transformative possibilities available to those who come to believe in the persistence of the soul

**The Eccentropedia** Chris Mikul,2012-10-02 An A Z of eccentrics 250 true stories of the most original and outrageous people on earth from bad poets to transsexual evolutionary theorists this encyclopedic guide covering ancient times to the present includes reams of material never seen in book form before Famous eccentrics like King Ludwig Salvador Dal and Howard Hughes rub shoulders with a host of lesser known but equally colorful characters in these mostly life affirming stories There are unsuspected parallels and connections throughout creating an alternative off kilter history of the world

*Star Attractions* Tamar Jeffers McDonald,Lies Lanckman,2019-12-15 During Hollywood's classic era from the 1920s to 1950s roughly twenty major fan magazines were offered each month at American newsstands and abroad These publications famously fed fan obsessions with celebrities such as Mae West and Elvis Presley Film studies scholars often regard these magazines with suspicion perhaps due to their reputation for purveying scandal and gossip their frequent mingling of gushing tone and blatant falsehood Looking at these magazines with fresh regarding eyes and treating them as primary sources the contributors of this collection provide unique insights into contemporary assumptions about the relationship between fan and star performer and viewer In doing so they reveal the magazines to be a huge and largely untapped resource on a wealth of subjects including gender roles appearance and behavior and national identity

**Women, Celebrity, and Literary Culture between the Wars** Faye Hammill,2009-12-03 As mass media burgeoned in the years between the first and second world wars so did another phenomenon celebrity Beginning in Hollywood with the studio orchestrated transformation of uncredited actors into brand name stars celebrity also spread to writers whose personal appearances and private lives came to fascinate readers as much as their work Women Celebrity and Literary Culture between the Wars profiles seven American Canadian and British women writers Dorothy Parker Anita Loos Mae West L M Montgomery Margaret Kennedy Stella Gibbons and E M Delafield who achieved literary celebrity in the 1920s and 1930s and whose work remains popular even today Faye Hammill investigates how the fame and commercial success of these writers as well as their gender affected the literary reception of their work She explores how women writers sought to fashion their own celebrity images through various kinds of public

performance and how the media appropriated these writers for particular cultural discourses She also reassesses the relationship between celebrity culture and literary culture demonstrating how the commercial success of these writers caused literary elites to denigrate their writing as middlebrow despite the fact that their work often challenged middle class ideals of marriage home and family and complicated class categories and lines of social discrimination The first comparative study of North American and British literary celebrity *Women Celebrity and Literary Culture between the Wars* offers a nuanced appreciation of the middlebrow in relation to modernism and popular culture **Cupboards of Curiosity** Amelie Hastie,2007 Amelie Hastie rethinks female authorship within film history by expanding the historical archive to include dollhouses scrapbooks memoirs cookbooks and ephemera *The Art of Marriage Maintenance* Sylvia R. Karasu,Toksoz Byram Karasu,2005 Given the fact that 50% of marriages end in divorce you would think marriage wouldn't be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails The Art of Marriage Maintenance is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance

*Haunted Ground* Darryl V. Catherine,2011-08-10 This fascinating and insightful tour through present day meetings of Spiritualists UFOlogists and dowsers illuminates our obsession with the paranormal and challenges the misunderstanding of the paranormal as a marginal or inconsequential feature of America's religious landscape According to a 2005 Gallup poll 75 percent of Americans believe in some form of paranormal activity The United States has had a collective fascination with the paranormal since the mid 1800s and it remains an integral part of our culture *Haunted Ground Journeys through a Paranormal America* examines three of the most vibrant paranormal gatherings in the United States Lily Dale a Spiritualist summer camp the Roswell UFO Festival and the American Society of Dowsers annual convention of water witches to explore and explain the reasons for our obsession with the paranormal Both academically informed and thoroughly entertaining this book takes readers on a road trip through our nation guided by professor of American religion Darryl V Catherine PhD The author interprets seemingly unrelated case studies of phantasmagoria collectively as an integral part of the modern discourse about nature as ultimate reality Along the way Dr Catherine reveals how Americans interest in the paranormal is rooted in their anxieties about cultural political and economic instability and in a historic sense of alienation and homelessness *The Complete Idiot's Guide to Great Quotes for All Occasions* Elaine Bernstein Partnow,2008-04-01 Say the right thing at the right time This essential reference brings together well known and not so well known speakers including
