Jacobs,1996-10 An examination of the forces and events that led to the most successful organized crime control initiatives in American history Since Prohibition the Mafia has captivated the media and indeed the American imagination From Al Capone to John Gotti organized crime bosses have achieved notoriety as anti heroes in popular culture In practice organized crime grew strong and wealthy by supplying illicit goods and services and by

obtaining control over labor unions and key industries Despite or perhaps because of its power and high profile Cosa Nostra faced little opposition from law enforcement Yet in the last 15 years the very foundations of the mob have been shaken its bosses imprisoned its profits diminished and its influence badly weakened In this vivid and dramatic book James B Jacobs Christopher Panarella and Jay Worthington document the government's relentless attack on organized crime The authors present an overview of the forces and events that led in the 1980s to the most successful organized crime control initiatives in American history Enlisting trial testimony secretly taped conversations court documents and depositions they document five landmark cases representing the most important organized crime prosecutions of the modern era Teamsters Local 560 The Pizza Connection The Commission the International Teamsters and the prosecution of John Gotti *The Complete Idiot's Guide to the Mafia, 2nd Edition* Jerry Capecci, 2005-01-04 You never go against the family Here is the most comprehensive introduction to and explanation of the most infamous crime organization in history Completely updated with more than 70 pages of new material and photographs it includes information about the shifts in power and tightening of ranks of different families after convictions of their key members new inside information on the role of the families in Chicago Boston Las Vegas Rochester and even Montreal and updates on the DeCavalcante family who bragged they were the real Sopranos on FBI wiretaps More than 70 pages of new material Full of dramatic anecdotes and photos about everything from Capone to Gotti and beyond Written by acclaimed expert author and reporter of all things Mafia in his weekly online column Gang Land ganglandnews.com
