of the downtown core and its replacement with Jackson Square They also examine the labour movement's role in civic life A chapter on the John Munro political machine written by Henry Jacek shows how politics is integrated into the power structure of the city The book tells the story of key development projects of the 1960s and 1970s that were supposed to transform the central city The account of the notorious contracts for dredging Hamilton Harbour is compelling reading The authors look closely at the winners and losers in these projects Today Hamiltonians can make their own judgments about the long term impact of these projects on their city *Director*, 1973 *The Mafia's Greatest Hits* David H.
