Peace From the Preface Mary was not a harlot powerless following Christ She was a woman of extraordinary vision and power facing her fears with immense courage and determination Setting aside personal feelings and desires she dedicated her life to upholding God and the greater design she had pledged to serve regardless of the obstacles she encountered She is a noble beautiful nurturing woman who will take you in her arms and call from you the memory and truth of who you are Read her story and Remember the Design for Peace in Your Heart *La Magdalena* Lauren Sleeman, 2013-12-19 La Magdalena draws on the largely overlooked and almost forgotten document of early history The Gospel of Mary to create a fictional account of Mary Magdalen s teachings her disciples and her relationship with Jeshua best known to us as Jesus Christ Mary is presented as a member of an early sect called the Theraputeae who understood ancient knowledge and intuitive wisdom As the story progresses Mary and Jeshua face the challenges of his imminent death and the journey Mary and her followers must subsequently make as concerns for her safety become paramount The book contains familiar elements of human behaviour such as love betrayal joy and jealousy as we join Mary in her account of the events that took place over two millennia ago events that could have had a very different outcome
