Morrigan , What if every attempt to fix the past only made the future worse Time travel has always been the ultimate fantasy until it becomes a nightmare In *Shadows of Yesterday* a chilling collection of dark and mind bending short stories scientists dreamers and desperate souls attempt to rewrite history only to find themselves trapped in an endless cycle of horror and consequence Each story is a haunting exploration of the fragile threads that hold reality together and what happens when those threads are pulled apart A grieving doctor risks everything to prevent her husband's death only to watch time unravel with every change she makes A scientist builds a time machine to meet his future self unaware that every meeting erases another piece of his soul A soldier goes back in time to stop a war only to find himself trapped on the front lines of every battle throughout history In another reality a man relives the same perfect day over and over until the day itself begins to decay taking his sanity with it Each twist of time comes at a cost and every desperate attempt to rewrite fate only leads to darker more terrifying consequences As the boundaries between past

present and future blur the characters in *Shadows of Yesterday* come to realize one undeniable truth time is not meant to be controlled and those who dare to manipulate it will suffer the ultimate price Fans of dark speculative fiction will find themselves captivated by this chilling and immersive collection These stories delve into the terrifying paradoxes of time travel exploring themes of fate morality loss and the horrifying realization that some events are meant to happen no matter the cost If you love unsettling thought provoking tales that linger in your mind long after you've turned the last page step into the shadows of time but be warned you may never find your way back [Catherine Cookson Country](#) Julie

Taddeo, 2016-12-05 Britain's most widely read author of the late twentieth century Catherine Cookson published more than 100 books including *The Fifteen Streets* *The Black Velvet Gown* and *Katie Mulholland* Set in England's industrial northeast her novels depict the social economic and emotional hardships of that area In the first essay collection devoted to Cookson the contributors examine what Cookson's memoirs and historical fiction mean to readers including how her fans contribute to her position in the cultural imaginary constructions of gender class and English and Irish identity in her work the importance of place in her novels Cookson's place in the heritage industry and television adaptations of Cookson's works Cookson's work tackled topics that were still taboo in the early post World War II era such as domestic abuse rape and incest This collection places Cookson in historical context and shows how skillful she was at pushing generic boundaries **The New Granta**

**Book of Travel** Albino Ocherio-Okello, 2011-11-03 A collection of travel writing by some of the genre's finest authors from Paul Theroux to Sara Wheeler voyaging from Mississippi to Malawi and Thailand *The New Granta Book of Travel Writing* represents a sea change in writers' approaches to the craft The 1980s were the culmination of a golden age when writers including Bruce Chatwin James Hamilton Paterson and James Fenton set out to document life in largely unfamiliar territory bringing back tales of the beautiful the extraordinary and the unexpected By the mid 1990s travel writing seemed to change as a younger generation of writers appeared in the magazine making journeys for more complex and often personal reasons Decca Aitkenhead reported on sex tourism in Thailand and Wendell Steavenson moved to Iraq as a foreign correspondent What all these pieces have in common is a sense of engagement with the places they describe and a belief that whether we are in Birmingham or Belarus there is always something new to be discovered [Clio's Lives](#) Doug Munro, John G.

Reid, 2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding essay by Barbara Caine offers a critical appraisal of the study of historians' biographies and autobiographies to date and maps out likely new directions for future work *Clio's Lives* is a very good scholarly collection

that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided reflective chapters that will be widely read for their impressive theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne *Clio's Lives* brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University     *Britishness since 1870* Paul Ward, 2004-04-15 What does it mean to be British It is now recognized that being British is not innate static or permanent but that national identities within Britain are constantly constructed and reconstructed *Britishness since 1870* examines this definition and redefinition of the British national identity since the 1870s Paul Ward argues that British national identity is a resilient force and looks at how Britishness has adapted to changing circumstances Taking a thematic approach *Britishness since 1870* examines the forces that have contributed to a sense of Britishness and considers how Britishness has been mediated by other identities such as class gender region ethnicity and the sense of belonging to England Scotland Wales and Ireland
