Maggie's War Shirley Mann, 2025-08-14 A brand new novel from the RNA award winning author of Bobby's War. A gripping series I've loved every one and this latest is no exception. Rosie Goodwin. It's 1942 and the Second World War rages across Europe. Maggie Carpenter leaves her quiet life as a teacher in Manchester to join a team of women working the canals, hauling supplies across wartime Britain. Cramped cabins, no running water and relentless labour become her new reality. Thrown together with two strangers, each hiding secrets of their own, Maggie finds unlikely friendship and a spark of love in a young Army chaplain. But as past wounds resurface, she must decide if she can trust again. Maggie's War is a stirring story of friendship, love and courage in the face of war. Suffused with extensive research as well as secrets and sympathy. Saga readers will love this WW2 tale of canal boat life on the cut. Mollie Walton, author of *The Shopgirl of Ironbridge*. This is an assiduously researched book written with heart and love. Shirley's writing transports you to an infinitely kinder, gentler way of life. Readers will devour it. Kate Thompson, author of *The Wartime Book Club*. A gripping saga full of real history, heart and immense courage. Lancashire Evening Post. Readers are loving Maggie's War. Family saga at its best. The Punishing Journey of Arthur Delaney Bob Kroll, 2022-06-07 For readers of Paulette Jiles and Gil Adamson, a 19th century tale of a father's greatest regret and path to redemption. Devastated at his wife's death and stricken at raising two girls and a boy on his own, Arthur Delaney places his children in a Halifax orphanage and runs off to join the Union Army in the American Civil War. The trauma of battle and three years in a disease-ridden prisoner of war prison changes his perspective on life and family. After the war, Delaney odd jobs his way up the American east coast and catches a schooner to Halifax. There he discovers the orphanage has relocated to a farm in rural Nova Scotia. His children are not there. They and others had been sold and resold as farm workers and house servants through the Maritime provinces as well as Quebec and Ontario. Their whereabouts is unknown. Arthur Delaney sets out on a punishing 20-year journey across Canada to find them. This is a heartbreaking, beautifully told story of a father's attempt to reconnect with his children.
