Managerial Cost Accounting Planning And Control:

Managerial Cost Accounting William L. Ferrara, Frank P. Dougherty, Germain B. Boer, 1991-01-01 **Managerial Cost Accounting** Pinano, 1996-04-01 *Managerial Cost Accounting* William L. Ferrara, 1996 Cost Accounting Adolph Matz, Milton F. Usry, 1976 **Cost Accounting for Managerial Planning, Decision Making, and Control** Woody M. Liao, James L. Boockholdt, 1989 **Cost Accounting** Germain Boer, 2000-08

Managerial Cost Accounting Planning and Control integrates key concepts from operations management data base systems and managerial accounting in an interesting and readable form Subjects such as financial statements and budgeting are introduced with short stories where managers must use financial information to solve problems The stories and illustrations draw the student into the accounting information in a novel and interesting manner Database concepts introduced in the second chapter form the foundation for material on job costing process costing and project management The approach of the text integrates traditional cost and managerial topics with modern information technology The result is a conceptual structure toward management accounting that will prove useful to future and practicing managers

Cost Accounting for Managerial Planning, Decision Making and Control E. James Meddaugh, 1992-02-01 *Managerial Cost Accounting Concepts and Standards for the Federal Government* United States. Federal Accounting Standards Advisory Board, 1995 **Cost Accounting for Managerial Planning, Decision Making and Control** Andrew Schiff, Hsihui Chang, Woody M. Liao, 2005-02-28

This text is intended for use in undergraduate and graduate courses in cost accounting at both the basic and advanced levels It provides complete concise and clearly written discussions of topics commonly included in a basic course with an in depth treatment of selected topics more appropriate for a course in advanced cost accounting Modular coverage of these topics enables the instructor to present a greater amount of core material in a limited time while adapting the text to his or her own preferences for course content By emphasizing the differing uses for cost accounting information the text makes the student an intelligent provider user and interpreter of this information This strategy is evident in each chapter as basic concepts are presented and then illustrated with examples and a wide variety of end of chapter assignments

Management Control Theory A.J. Berry, J. Broadbent, D.T. Otley, 2019-05-23

First published in 1998 this volume of readings provides an overview of the development of the study of Management Control theory over the past 35 years The period encompasses the publication of a major and seminal text by Anthony and Dearden in 1965 which acted as a touchstone in defining the range and scope of management control systems This laid management control s foundations in accounting based mechanisms of control an element which has been seen as both a strength and a constraint A good deal of work has followed providing both a development of the tradition as well as a critique In this volume we attempt to provide a range of readings which will illustrate the variety of possibilities that are available to researchers scholars and practitioners in the area The readings illustrate the view that sees control as goal directed and integrative They go on to explore the idea of control as adaption

consider its relationship with social structure and survey the effects of the interplay between the organisation and the environment The essays included are not intended to lead the reader through a well ordered argument which concludes with a well reasoned view of how management control should be Instead it seeks to illustrate the many questions which have been posed but not answered and to open up agendas for future research
